

## Carolina Group Reports Net Income for the Third Quarter Of 2005

October 27, 2005

NEW YORK--(BUSINESS WIRE)--Oct. 27, 2005--Loews Corporation (NYSE:LTR) today reported Carolina Group net income for the 2005 third quarter of \$172.0 million, compared to \$159.9 million in the 2004 third quarter. Net income attributable to Carolina Group stock (NYSE:CG) for the third quarter of 2005 was \$67.5 million, or \$0.99 per share of Carolina Group stock, compared to \$53.4 million, or \$0.92 per share in the comparable period of the prior year.

The increase in net income attributable to Carolina Group stock for the third quarter of 2005, as compared to the corresponding period of the prior year, reflects the sale by Loews Corporation of 10,000,000 shares of Carolina Group stock in December of 2004. Net income per share of Carolina Group stock was not impacted by the sale of Carolina Group stock in December of 2004. Carolina Group stock represents a 39.26% and 33.43% economic interest in the Carolina Group for the three months ended September 30, 2005 and 2004, respectively. Net income also increased due to \$3.3 million (\$2.1 million after taxes) of improved performance of limited partnership investments.

Net sales for the Carolina Group were \$928.4 million in the third quarter of 2005, compared to \$879.3 million in the 2004 third quarter, reflecting an increase in unit sales volume of 3.3%.

Carolina Group net income for the first nine months of 2005 was \$432.6 million, compared to \$384.3 million in the comparable period of the prior year. Net income attributable to Carolina Group stock for the first nine months of 2005 was \$169.7 million, or \$2.49 per share of Carolina Group stock, compared to \$128.4 million, or \$2.21 per share in the comparable period of the prior year. The increase in net income attributable to Carolina Group stock reflects the December of 2004 sale by Loews Corporation of Carolina Group stock discussed above. Net income also increased due to \$2.9 million (\$1.7 million after taxes) of improved performance of limited partnership investments.

Net sales for the Carolina Group were \$2.652 billion in the first nine months of 2005, compared to \$2.515 billion in the comparable period of the prior year. The increase in net sales reflects an increase in unit sales volume of 3.1% and reduced sales promotion expenses (accounted for as a reduction in net sales).

Results of operations of the Carolina Group include interest expense of \$22.0, \$24.4, \$65.4 and \$73.3 million, net of taxes, for the three and nine months ended September 30, 2005 and 2004, respectively, on notional intergroup debt. At September 30, 2005, \$1.71 billion principal amount of notional intergroup debt was outstanding.

The Carolina Group stock, commonly called a tracking stock, is intended to reflect the economic performance of a defined group of the Company's assets and liabilities, referred to as the Carolina Group, principally consisting of the Company's subsidiary Lorillard, Inc. The Carolina Group, a notional group, is not a separate legal entity. The purpose of this financial information is to provide investors with additional information to use in analyzing the results of operations and financial condition of the Carolina Group, and this financial information should be read in conjunction with the consolidated financial information of Loews Corporation.

As of September 30, 2005, there were 68,180,678 shares of Carolina Group stock outstanding representing a 39.27% economic interest. Depending on market conditions, the Company, for the account of the Carolina Group, from time to time may purchase shares of Carolina Group stock in the open market or otherwise.

A separate press release reporting Loews Corporation's consolidated results for the third quarter of 2005 is being issued contemporaneously with this report.
