Forward Looking Statements and Risk Factors. The information presented herein is generally available from public sources, including our and our subsidiaries' earnings releases and SEC filings. We urge you to read those documents, and we specifically direct you to the forward-looking statements, disclaimers and risk factors they contain. The primary purpose of this presentation is to help you understand how we view our Company, not to update our filings or correct any forecasts – we categorically do not give guidance. Conditions faced by our various businesses may have changed – for better or worse – since the time periods reflected in this presentation and we disclaim any obligation to update the information presented herein. Any statements made in addressing our results are not meant as an indication of the Company's performance since the time of our latest public filings and disclosures.

There are a number of important risk factors that could cause the actual results for each of the companies discussed in this presentation to differ from those expressed in forward-looking statements contained herein, including those risk factors discussed in detail in annual and quarterly reports and other filings made with the SEC by Loews Corporation and its consolidated subsidiaries: CNA Financial Corporation and Boardwalk Pipelines. Given these risk factors, investors and analysts should not place undue reliance on forward-looking statements.

Non-GAAP Financial Measures. Certain financial information presented herein includes non-GAAP financial measures. Management believes these measures are useful to understanding the key drivers of the Company's operating performance. These non-GAAP measures are reconciled to GAAP numbers herein (or in documents referred to herein).

Where You Can Find More Information. Annual, quarterly and other reports filed with the SEC by Loews Corporation and its consolidated subsidiaries: CNA Financial Corporation and Boardwalk Pipeline Partners, LP contain important additional information about those companies and we urge you to read this presentation together with those filings, copies of which are available, as applicable, at the corporate websites of Loews Corporation at www.loews.com and such subsidiaries at www.cna.com and www.bwpipelines.com, or at the SEC's website at www.sec.gov.

2021 Second Quarter – Key Highlights

- \$3.9 billion in cash and investments at the parent company
- Net income of \$754 million, or \$2.86 per share
 - Includes a gain of \$438 million related to the sale of 47% of Altium Packaging¹
 - The increase in quarterly net income excluding the Altium gain is driven by:
 - CNA Financial Corporation with lower net catastrophe losses, improved net investment income, and higher property and casualty underwriting results before net catastrophe losses and prior year development
 - Boardwalk Pipelines which contributed positively as revenues from recently completed growth projects increased
 - Loews Hotels & Co with improved results due to the strong rebound in travel to resort destinations
- Repurchased 3.9 million Loews shares at an aggregate cost of \$219 million
- Dividends from subsidiaries totaled \$92 million
- \$18.1 billion in shareholders' equity / book value per share of \$69.59 as of June 30, 2021

Loews Hotels & Co's results have been significantly impacted by the COVID-19 pandemic. All hotels are operational as of June 30, 2021; however, total occupancy levels have not yet reached pre-pandemic levels, especially at hotels in urban centers.

1. Non-recurring items include items such as acquisition transaction and transition costs, new development pre-opening costs, gains or losses on sale and impairments. See Appendix – "Loews Hotels & Co Adjusted EBITDA" for additional disclosure.
2. Adjusted EBITDA is the total amount of EBITDA attributable to Loews Hotels & Co based on its percent ownership of each property (e.g., if Loews Hotels & Co legally owns 50% of a property, 50% of that property's EBITDA is included, except for certain hotels where earnings are distributed on a different basis from legal ownership based on the underlying governing agreements), plus management company EBITDA and excluding non-recurring items such as acquisition transaction and transition costs, new development pre-opening costs, gains or losses on sale and impairments. See Appendix – "Loews Hotels & Co Adjusted EBITDA" for EBITDA to GAAP reconciliation.
3. Adjusted mortgage debt is adjusted for Loews Hotels & Co's ownership interest in the asset underlying the borrowing. Balances are inclusive of adjusted mortgage debt related to assets under development of \$0 million and \$121 million at June 30, 2021 and 2020, respectively.

Loews Hotels & Co – Operating Trends

The impact of COVID-19 led to suspending operations at most hotels at the beginning of the pandemic and low occupancy as they reopened

Portfolio operating trends:

- Gradual improvement from June 2020, driven largely by leisure travel demand; occupancy numbers in Q1 and Q2 2021 impacted by additional available rooms returned to service along with seasonality; average daily rate is impacted by mix of properties open during each period.
- Extremely limited corporate travel in response to the COVID-19 pandemic continues to significantly impact hotel demand, especially at urban center hotels.
