NEWS RELEASE

LOEWS CORPORATION REPORTS NET INCOME OF \$242 MILLION FOR THE FIRST QUARTER OF 2013

NEW YORK, April 29, 2013—Loews Corporation (NYSE:L) today reported net income for the 2013 first quarter of \$242 million, or \$0.62 per share, compared to \$367 million, or \$0.92 per share, in the 2012 first quarter. Net income in the first quarter of 2013 includes an after tax ceiling test impairment charge of \$92 million at HighMount Exploration & Production LLC related to the carrying value of its natural gas and oil properties as compared to an impairment charge of \$28 million in the prior year quarter. Excluding these non-cash impairment charges, net income (non-GAAP) was \$334 million in the 2013 first quarter as compared to \$395 million in the 2012 first quarter.

Book value per share increased to \$49.93 at March 31, 2013 from \$49.67 at December 31, 2012.

CONSOLIDATED HIGHLIGHTS

	Thre	Three Months Ended March 31,		
(In millions, except per share data)	2013		2012	
Income before net investment gains and ceiling test impairment charges	\$	320	\$	376
Non-cash ceiling test impairment charges		(92)		(28)
Net investment gains		14		19
Net income attributable to Loews Corporation	\$	242	\$	367
Net income per share	\$	0.62	\$	0.92
Book value per share at:				
March 31, 2013	\$	49.93		
December 31, 2012		49.67		
March 31, 2012		48.96		

Excluding the non-cash ceiling test impairment charges, the decrease in net income is primarily due to reduced parent company investment income as a result of lower performance for the trading portfolio.

Page 1 of 5

CNA Financial Corporation's earnings were essentially unchanged with the prior year primarily due to improved current year non-catastrophe underwriting results offset by lower investment income, higher catastrophe losses and decreased net favorable prior year development.

Diamond Offshore's earnings decreased due to lower utilization primarily from fewer revenue earning days due to increased rig surveys.

SHARE REPURCHASES

At March 31, 2013, there were 389.9 million shares of Loews common stock outstanding. During the three months ended March 31, 2013, the Company purchased 2.1 million shares of its common stock at an aggregate cost of \$92 million. Depending on market conditions, the Company may from time to time purchase shares of its and its subsidiaries' outstanding common stock in the open market or otherwise.

CONFERENCE CALLS

A conference call to discuss the first quarter results of Loews Corporation has been scheduled for 11:00 a.m. ET, today. A live webcast of the call will be available online at the Loews Corporation website (www.loews.com). Please go to the website at least ten minutes before the event begins to register and to download and install any necessary audio software. Those interested in participating in the question and answer session should dial (877) 692-2592, or for international callers, (973) 582-2757. The conference ID number is 33378851. An online replay will also be available on the Loews Corporation's website following the call.

A conference call to discuss the first quarter results of CNA has been scheduled for 10:00 a.m. ET, today. A live webcast will be available at http://investor.cna.com. Those interested in participating in the question and answer session should dial (888) 438-5524, or for international callers, (719) 325-2464. Please go to the website at least ten minutes before the event begins to register and to download and install any necessary audio software.

A conference call to discuss the first quarter results of Boardwalk Pipeline has been scheduled for 9:00 a.m. ET, today. A live webcast will be available at www.bwpmlp.com. Those interested in participating in the question and answer session should dial (877) 546-5018 or for international callers, (857) 244-7550. The conference ID number is 49371970. Please go to the website at least ten minutes before the event begins to register and to download and install any necessary audio software.

A conference call to discuss the first quarter results of Diamond Offshore was held on Thursday, April 25, 2013. An online replay is available on Diamond Offshore's website (www.diamondoffshore.com).

FORWARD-LOOKING STATEMENTS

Statements contained in this press release which are not historical facts are "forward-looking statements" within the meaning of the federal securities laws. Forward-looking statements are inherently uncertain and subject to a variety of risks that could cause actual results to differ materially from those expected by management of the Company. A discussion of the important risk factors and other considerations that could materially impact these matters as well as the Company's overall business and financial performance can be found in the Company's reports filed with the Securities and Exchange Commission and readers of this release are urged to review those reports carefully when considering these forward-looking statements. Copies of these reports are available through the Company's website (www.loews.com). Given these risk factors, investors and analysts should not place undue reliance on forward-looking statements. Any such forward-looking statements speak only as of the date of this press release. The Company expressly disclaims any obligation or undertaking to release publicly any updates or revisions to any forward-looking statement to reflect any change in the Company's expectations with regard thereto or any change in events, conditions or circumstances on which any forward-looking statement is based.
