Ladies and Gentlemen:

Loews Corporation, a Delaware corporation (the "Company"), proposes to sell to the underwriters named in Schedule II hereto (the "Underwriters"), for whom you are acting as representative (the "Representative"), the principal amount of its securities identified in Schedule I hereto (the "Securities"), to be issued under an indenture dated as of March 1, 1986, between the Company and The Chase Manhattan Bank (National Association), as trustee (the "Trustee"), as supplemented by a supplemental indenture, dated March 30, 1993, between the Company and the Trustee (the "Supplemental Indenture") (the Indenture, as supplemented by the supplemental indenture, is referred to as the "Indenture").

If the firm or firms listed in Schedule II hereto include only the firm or firms listed in Schedule I hereto, then the terms "Underwriters" and "Representative", as used herein, shall each be deemed to refer to such firm or firms.

1. Representations and Warranties. The Company represents and warrants to, and agrees with, each Underwriter that:

- (a) The Company meets the requirements for use of Form S-3 under the Securities Act of 1933 (the "Act") and has filed with the Securities and Exchange Commission (the "Commission") a registration statement on such Form (the file number of which is set forth in Schedule I hereto), which has become effective, for the registration under the Act of the Securities. Such registration statement, as amended at the date of this Agreement, meets the requirements set forth in Rule 415(a)(1)(x) under the Act and complies in all other material respects with said Rule. The Company proposes to file with the Commission pursuant to Rule 424 under the Act a supplement to the form of prospectus included in such registration statement relating to the Securities and the plan of distribution thereof and has previously advised you of all further information (financial and other) with respect to the Company to be set forth therein. Such registration statement, including the exhibits thereto, as amended at the date of this Agreement, is hereinafter called the "Registration Statement";

such prospectus in the form in which it appears in the Registration Statement is hereinafter called the "Basic Prospectus"; and such

supplemented form of prospectus, in the form in which it shall be filed with the Commission pursuant to Rule 424 (including the Basic Prospectus as so supplemented) is hereinafter called the "Final

Prospectus". Any preliminary form of the Final Prospectus which

has heretofore been filed pursuant to Rule 424 is hereinafter called the "Preliminary Final Prospectus". Any reference herein to

the Registration Statement, the Basic Prospectus, any Preliminary Final Prospectus or the Final Prospectus shall be deemed to refer to and include the documents incorporated by reference therein pursuant to Item 12 of Form S-3 which were filed under the Securities Exchange Act of 1934 (the "Exchange Act") on or before the date of this

Agreement, or the issue date of the Basic Prospectus, any Preliminary Final Prospectus or the Final Prospectus, as the case may be; except that, if any revised Basic Prospectus, Preliminary Final Prospectus or the Final Prospectus, as the case may be, shall be provided to the Underwriters by the Company for use in connection with the offering of the Securities which differs from the prospectus on file at the Commission at the time the Registration Statement becomes effective (whether or not such revised prospectus is required to be filed by the Company pursuant to Rule 424(b) of the Act Regulations), the terms "Basic Prospectus", "Preliminary Final Prospectus" or "Final Prospectus," as the case may be, shall refer to such revised "Basic Prospectus," "Preliminary Final Prospectus" or "Final Prospectus" from and after the time it is first provided to the Underwriters for such use. Any reference herein to the terms "amend", "amendment" or "supplement" with respect to the Registration Statement, the Basic Prospectus, any Preliminary Final Prospectus or the Final Prospectus, unless otherwise expressly provided therein, shall be deemed to refer to and

include the filing of any document under the Exchange Act after the date of this Agreement, or the issue date of the Basic Prospectus, any Preliminary Final Prospectus or the Final Prospectus, as the case may be, deemed to be incorporated therein by reference.

(b) As of the date hereof, when the Final Prospectus is first filed pursuant to Rule 424 under the Act, when, prior to the Closing Date, any amendment to the Registration Statement becomes effective (including the filing of any document incorporated by reference in the Registration Statement) (unless the term "Basic Prospectus," "Preliminary Final Prospectus" or "Final Prospectus", as the case may be, refers to a "Basic Prospectus", "Preliminary Final Prospectus" or "Final Prospectus", as the case may be, which has been provided to the Underwriters by the Company for use in connection with the offering of the Securities differs from the prospectus on file at the Commission at the time the Registration Statement becomes effective, in which case at the time it is first provided to the Underwriters for such use), when any supplement to the Final Prospectus is filed with the Commission and at the Closing Date, (i) the Registration Statement, as amended as of any such time, and the Final Prospectus, as amended or supplemented as of any such time, and the Indenture will comply in all material respects with the applicable requirements of the Act, the Trust Indenture Act of 1939 (the "Trust Indenture

Act") and the Exchange Act and the respective rules thereunder and

(ii) neither the Registration Statement, as amended as of any such time, nor the Final Prospectus, as amended or supplemented as of any such time, will contain any untrue statement of a material fact or omit to state any material fact required to be stated therein or necessary in order to make the statements therein not misleading; provided, however, that the Company makes no representations or

warranties as to (i) that part of the Registration Statement which shall constitute the Statement of Eligibility and Qualification (Form T-1) under the Trust Indenture Act of the Trustee or (ii) the information contained in or omitted from the Registration Statement or the Final Prospectus or any amendment thereof or supplement thereto in reliance upon and in conformity with information furnished in writing to the Company by or on behalf of any Underwriter through the Representative specifically for use in connection with the preparation of the Registration Statement and the Final Prospectus.

(c) The documents incorporated by reference in the Final Prospectus pursuant to Item 12 of Form S-3 under the Act, at the date hereof and the Closing Date, complied and will comply in all material respects with the requirements

-3-

of the Exchange Act and the rules and regulations of the Commission thereunder (the "Exchange Act Regulations"); and any documents

deemed to be incorporated by reference in the Prospectus as of the date hereof and the Closing Date, comply in all respects with the requirements of the Exchange Act and the Exchange Act Regulations.

(d) Each of this Agreement and the Indenture are substantially in the form filed as an exhibit to the Registration Statement at the time the Registration Statement became effective (other than insofar as the Indenture has been modified by the Supplemental Indenture), and, have been duly authorized, executed and delivered by the Company and constitute legal, valid and binding agreements of the Company, enforceable against the Company in accordance with their terms, except that (A) the enforceability thereof may be subject to bankruptcy, insolvency, reorganization, moratorium or other similar laws now or hereafter in effect, relating to creditors' rights generally, (B) the remedy of specific performance and injunctive and other forms of equitable relief may be subject to equitable defenses and to the discretion of the court before which any proceeding therefor may be brought, and (C) no representation is given as to the enforceability of indemnification and contribution provisions of the Underwriting Agreement.

(e) Since the respective dates as of which information is given in the Registration Statement and the Final Prospectus, except as otherwise stated therein, (i) there has been no material adverse change in the condition (financial or other), earnings, business or properties of the Company and its subsidiaries, taken as a whole, whether or not arising from transactions in the ordinary course of business, and (ii) there have been no transactions entered into by the Company or any of its subsidiaries, other than those in the ordinary course of business, which are material with respect to the Company and its subsidiaries, taken as a whole.

(f) The execution and delivery of this Agreement and the Indenture, the filing of the Registration Statement and the consummation of the transactions contemplated herein and therein have been duly authorized by all necessary corporate action and will not conflict with or constitute a breach of, or default under, or result in the creation or imposition of any lien, charge or encumbrance upon any property or assets of the Company or any of its subsidiaries pursuant to, any contract, indenture, mortgage, loan agreement, note, lease or other instrument to which the Company or any of its subsidiaries is a party or by which it or any of them may be

-4-

bound, or to which any of the property or assets of the Company or any of its subsidiaries is subject, which, in the aggregate, could reasonably be expected to be material and adverse to the Company and its subsidiaries considered as one enterprise, nor will such action result in any violation of the provisions of the charter or by-laws of the Company or any applicable law, administrative regulation or administrative or court decree.

(g) Other than as disclosed in the Registration Statement or the Final Prospectus, there is no action, suit or proceeding before or by any court or governmental agency or body, domestic or foreign, now pending, or, to the knowledge of the Company, threatened, against or affecting the Company or any of its subsidiaries, which is required to be disclosed in the Registration Statement or the Prospectus, or which might materially and adversely affect the properties or assets thereof or which is reasonably likely to materially and adversely affect the consummation of this Agreement and the Indenture.

(h) The Company and its subsidiaries possess all licenses, certificates, authorities or permits issued by the appropriate governmental or regulatory agencies or bodies necessary to own, lease and operate their respective properties and to carry on their respective businesses as presently conducted and which are material to the Company and its subsidiaries considered as one enterprise.

(i) Prior to the Closing Date, the sale and issuance of the Securities will have been duly authorized by the Company; and, when executed, authenticated, issued and delivered in the manner provided for in the Indenture against payment therefor in accordance with this Agreement, the Securities will constitute legal, valid and binding obligations of the Company entitled to the benefits of the Indenture and enforceable against the Company in accordance with their terms, except that (A) the enforceability thereof may be subject to bankruptcy, insolvency, reorganization, moratorium or other similar laws now or hereafter in effect, relating to creditors' rights generally, and (B) the remedy of specific performance and injunctive and other forms of equitable relief may be subject to equitable defenses and to the discretion of the court before which any proceeding therefor may be brought.

(j) The Company is not now, and upon the sale of the Securities to be sold by it hereunder and application of the net proceeds from such sale as described in the Final Prospectus under "Use of Proceeds" will not be, an

-5-

"investment company" within the meaning of the Investment Company Act of 1940, as amended.

2. Purchase and Sale. Subject to the terms and conditions and in reliance

upon the representations and warranties herein set forth, the Company agrees to sell to each Underwriter, and each Underwriter agrees, severally and not jointly, to purchase from the Company, at the purchase price set forth in Schedule I hereto the principal amount of the Securities set forth opposite such

Underwriter's name in Schedule II hereto, except that, if Schedule I hereto

provides for the sale of Securities pursuant to delayed delivery arrangements, the respective principal amounts of Securities to be purchased by the Underwriters shall be as set forth in Schedule II hereto less the respective

amounts of Contract Securities (as hereinafter defined) determined as provided below. Securities to be purchased by the Underwriters are herein sometimes called the "Underwriters' Securities" and Securities to be purchased pursuant to

Delayed Delivery Contracts as hereinafter provided are herein called "Contract Securities".

If so provided in Schedule I hereto, the Underwriters are authorized to

solicit offers to purchase Securities from the Company pursuant to delayed delivery contracts ("Delayed Delivery Contracts"), substantially in the form of

Schedule III hereto but with such changes therein as the Company may authorize

or approve. The Underwriters will endeavor to make such arrangements and, as compensation therefor, the Company will pay to the Representative, for the account of the Underwriters, on the Closing Date, the percentage set forth in Schedule I hereto of the principal amount of the Securities for which Delayed

Delivery Contracts are made. Delayed Delivery Contracts are to be with institutional investors, including commercial and savings banks, insurance companies, pension funds, investment companies and educational and charitable institutions. The Company will enter into Delayed Delivery Contracts in all cases where sales of Contract Securities arranged by the Underwriters have been approved by the Company but, except as the Company may otherwise agree, each such Delayed Delivery Contract must be for not less than the minimum principal amount set forth in Schedule I hereto and the aggregate principal amount of

Contract Securities may not exceed the maximum aggregate principal amount set forth in Schedule I hereto. The Underwriters will not have any responsibility

in respect of the validity or performance of Delayed Delivery Contracts. The principal amount of Securities to be purchased by each Underwriter as set forth in Schedule II hereto shall be reduced by an amount which shall bear the same

proportion to the total principal amount of Contract Securities as the principal amount of Securities set forth opposite the name of such Underwriter bears to the aggregate principal amount of Securities set forth in Schedule II hereto,

except to the extent that you determine that such reduction shall be otherwise than in

such proportion and so advise the Company in writing; provided, however, that, subject to Section 9 hereof, the total principal amount of Securities to be purchased by all Underwriters shall be the aggregate principal amount of Securities set forth in Schedule II hereto less the aggregate principal amount of Contract Securities.

3. Delivery and Payment. Delivery of and payment for the Underwriters'

Securities shall be made at the office, on the date and at the time specified in Schedule I hereto (or such later date not later than five business days after

such specified date as the Representative shall designate), which date and time may be postponed by agreement between the Representative and the Company or as provided in Section 9 hereof (such date and time of delivery and payment for the

Underwriters' Securities being herein called the "Closing Date"). Delivery of

the Underwriters' Securities shall be made to the Representative for the respective accounts of the several Underwriters against payment by the several Underwriters through the Representative of the purchase price thereof to or upon the order of the Company by wire transfer of immediately available funds. Certificates for the Underwriters' Securities shall be registered in such names and in such denominations as the Representative may request not less than two full business days in advance of the Closing Date.

The Company agrees to have the Underwriters' Securities available for inspection, checking and packaging by the Representative in New York, New York, not later than 1:00 p.m. on the business day prior to the Closing Date.

4. Agreements. (a) The Company agrees with the several Underwriters

that:

(i) Until the earlier of (X) the termination of the offering of the Securities, and (Y) six months from the date of this Agreement, the Company will not file any amendment (other than amendments resulting from the filing of the documents incorporated by reference pursuant to Item 12 of Form S-3 under the Act) of the Registration Statement or supplement (including the Final Prospectus) to the Basic Prospectus unless the Company has furnished you a copy for your review prior to filing and will not file any such proposed amendment or supplement to which you reasonably object. Subject to the foregoing sentence, the Company will cause the Final Prospectus to be filed with the Commission pursuant to Rule 424. The Company will promptly advise the Representative (A) when the Final Prospectus shall have been filed with the Commission pursuant to Rule 424, (B) when any amendment to the Registration Statement relating to the Securities shall have become

effective, (C) of any request by the Commission for any amendment of the Registration Statement or amendment of or supplement to the Final Prospectus or for any additional information, (D) of the issuance by the Commission of any stop order suspending the effectiveness of the Registration Statement or the institution or threatening of any proceeding for that purpose and (E) of the receipt by the Company of any notification with respect to the suspension of the qualification of the Securities for sale in any jurisdiction or the initiation or threatening of any proceeding for such purpose. The Company will use its best efforts to prevent the issuance of any such stop order and, if issued, to obtain as soon as possible the withdrawal thereof.

(ii) If, at any time when a prospectus relating to the Securities is required to be delivered under the Act, any event occurs as a result of which, the Final Prospectus as then amended or supplemented would include any untrue statement of a material fact or omit to state any material fact necessary to make the statements therein in the light of the circumstances under which they were made not misleading, or if it shall be necessary to amend or supplement the Final Prospectus to comply with the Act or the Exchange Act or the respective rules thereunder, the Company promptly will prepare and file with the Commission, subject to the first sentence of paragraph (a)(i) of this

Section 4, an amendment or supplement which will correct such statement

or omission or an amendment which will effect such compliance.

(iii) The Company will make generally available to its security holders and to the Representative not later than 90 days after the end of the 12-month period beginning at the end of the current fiscal quarter of the Company an earnings statement or statements of the Company and its subsidiaries which will satisfy the provisions of Section 11(a) of the Act and Rule 158 under the Act.

(iv) The Company will furnish to the Representative and counsel for the Underwriters, without charge, copies of the Registration Statement (including exhibits thereto), and each amendment to the Registration Statement which shall become effective on or prior to the Closing Date and, so long as delivery of a prospectus by an Underwriter or dealer may be required by the Act, as many copies of any Preliminary Final Prospectus and the Final Prospectus and any

-8-

amendments thereof and supplements thereto as the Representative may reasonably request. The Company will pay the expenses of printing or other production of all documents relating to the offering.

(v) The Company will arrange for the qualification of the Securities for sale under the laws of such jurisdictions as the Representative may designate, will maintain such qualifications in effect so long as required for the distribution of the Securities and will arrange for the determination of the legality of the Securities for purchase by institutional investors; provided, however, the Company

shall not be obligated to file any general consent to service of process under the laws of any such jurisdiction, subject itself to taxation as doing business in any such jurisdiction, or qualify to do business as a foreign corporation in any such jurisdiction. The Company will pay all expenses (including fees and disbursements of counsel) in connection with such qualification (such expenses, fees and disbursements not to exceed in the aggregate \$5,000).

(vi) The Company, during the period when the Final Prospectus is required to be delivered under the Act or the Exchange Act, will file all documents required to be filed with the Commission pursuant to Section 13, 14 or 15 of the Exchange Act within the time periods required by the Exchange Act and the Exchange Act Regulations.

(vii) Between the date hereof and the Closing Date, the Company will not, without the prior consent of the Representative, offer or sell, or enter into any agreement to sell, any debt securities of the Company with a maturity of more than one year, including additional Securities.

(b) The Underwriters agrees to notify the Company promptly upon completion by it of the sale of the Securities.

5. Payment of Expenses. The Company will pay all expenses incident to the

performance of its obligations under this Agreement, including (a) the preparation, printing, filing and mailing of the Registration Statement as originally filed and of each amendment thereto; (b) the printing of this Agreement, the Indenture and any Blue Sky and legal investment surveys and any other documents in connection with the offering, purchase, sale and delivery of the Securities; (c) the preparation, issuance, and delivery to the Underwriters of the certificates for the

-9-

Securities; (d) the fees and disbursements of the Company's counsel and accountants; (e) the qualification of the Securities under state securities laws in accordance with this Agreement, including filing fees and the fee and disbursements of your counsel in connection therewith and in connection with the preparation of the Blue Sky and legal investment surveys in accordance with Section 4(a)(v); (f) the printing and delivery to you of copies of the

Registration Statement as originally filed and of each amendment thereto, of the preliminary prospectuses, and of the Prospectus and any amendments or supplements thereto; (g) the costs of preparing the Securities; (h) the fees, if any, of the National Association of Securities Dealers, Inc.; (i) the fees and expenses of the Trustee, including the fees and disbursements of counsel for the Trustee in connection with the Indenture; (j) if the Company determines to request rating of the Securities by particular rating agencies, any fees payable in connection with such rating of the Securities by such rating agencies; and (k) the fees and expenses incurred in connection with the listing of the

6. Conditions to the Obligations of the Underwriters. The obligations of

the Underwriters to purchase the Underwriter's Securities shall be subject to the accuracy of the representations and warranties on the part of the Company contained herein as of the date hereof, as of the date of the effectiveness of any amendment to the Registration Statement filed prior to the Closing Date (including the filing of any document incorporated by reference therein) and as of the Closing Date, to the accuracy of the statements of the Company made in any certificates pursuant to the provisions hereof, to the performance by the Company of its obligations hereunder and to the following additional conditions:

(ii) no stop order suspending the effectiveness of the Registration Statement, as amended, has been issued and no proceedings for that purpose have been instituted or, to the Company's knowledge, threatened; and

(iii) since the date of the most recent financial statements included in the Company's quarterly report on Form 10-Q for the quarter ended September 30, 1996, there has been no material adverse change in the condition (financial or other), earnings, business or properties of the Company and its subsidiaries, taken as a whole, whether or not arising from transactions in the ordinary course of business, except as set forth in the Final Prospectus.

(e) At the Closing Date, Deloitte & Touche LLP shall have furnished to the Representative a letter or letters (which may refer to letters previously delivered to the Representative), dated as of the Closing Date, in form and substance satisfactory to the Representative, confirming that they are independent accountants within the meaning of the Act and the Exchange Act and the respective applicable published rules and regulations thereunder, that the response to Item 10 of the Registration Statement is correct insofar as it relates to them and stating in effect that:

(i) in their opinion the audited financial statements and financial statement schedules included or incorporated in the Registration Statement and the Final Prospectus and reported on by them comply in form in all material respects with the applicable accounting requirements of the Act and the Exchange Act and the related published rules and regulations;

(ii) on the basis of a reading of the amounts included or incorporated in the Registration Statement and the Final Prospectus in response to Item 301 of Regulation S-K and of the latest unaudited financial statements made available by the Company and its subsidiaries; carrying out certain specified procedures (but not an examination in accordance with generally accepted auditing standards) which would not necessarily reveal matters of significance with respect to the comments set forth in such letter; a reading of the minutes of the meetings of the stockholders, directors and executive committees of the Company and the Subsidiaries; and inquiries of certain officials of the Company who have responsibility for financial and accounting matters of the Company and its subsidiaries as to transactions and events subsequent to the date of the most recent audited financial statements incorporated in the Registration Statement and the Final Prospectus, nothing came to their attention which caused them to believe that:

(1) the amounts in the unaudited Selected Consolidated Financial Data and Capitalization, if any, included in the Registration Statement and the Final Prospectus and the amounts included or incorporated in the Registration Statement and the Final Prospectus in response to Item 301 of

Regulation S-K, do not agree with the corresponding amounts in the audited financial statements from which such amounts were derived;

-15-

(2) any unaudited financial statements included or incorporated in the Registration Statement and the Final Prospectus do not comply as to form in all material respects with applicable accounting requirements and with the published rules and regulations of the Commission with respect to financial statements included or incorporated in quarterly reports on Form 10-Q under the Exchange Act; and said unaudited financial statements are not stated (except as permitted by Form 10-Q) in conformity with generally accepted accounting principles applied on a basis substantially consistent with that of the audited financial statements included or incorporated in the Registration Statement and the Final Prospectus; or

(3) with respect to the period subsequent to the date of the most recent financial statements included or incorporated in the Registration Statement and the Final Prospectus, there were any changes, at a specified date not more than five business days prior to the date of the letter, in the long-term debt of the Company and its subsidiaries or capital stock of the Company or decreases in the stockholders' equity of the Company and its subsidiaries as compared with the amounts shown on the most recent consolidated balance sheet included or incorporated in the Registration Statement and the Final Prospectus, or for the period from the date of the most recent financial statements included or incorporated in the Registration Statement and the Final Prospectus to such specified date there were any decreases, as compared with the corresponding period in the preceding year, in total revenues, or in total or per share amounts of income before income taxes or of net income, of the Company and its subsidiaries, except in all instances for changes or decreases set forth in such letter, in which case the letter shall be accompanied by an explanation by the Company as to the significance thereof unless said explanation is not deemed necessary by the Representative; and

(iii) they have performed certain other specified procedures as a result of which they determined that certain information of an accounting, financial or statistical nature (which is limited to accounting, financial or statistical information derived from the general accounting records of the Company) set forth in

-16-

the Registration Statement and the Final Prospectus and in Exhibit 12 to the Registration Statement, including the information included or incorporated in Items 1, 6, and 7 of the Company's annual report on Form 10-K, incorporated in the Registration Statement and the Final Prospectus, or in "Management's Discussion and Analysis of Financial Condition and Results of Operations" included or incorporated in the Company's quarterly reports on Form 10-Q or in any Form 8-K, incorporated in the Registration Statement and the Final Prospectus, agrees with the accounting records of the Company and its subsidiaries, excluding any questions of legal interpretation.

References to the Registration Statement and the Final Prospectus in this paragraph (e) are to such documents as amended and supplemented at the date of -----
the letter.

In addition, except as provided in Schedule I hereto, at the time this -----
Agreement is executed, Deloitte & Touche LLP shall have furnished to the Representative a letter or letters, dated the date of this Agreement, in form and substance satisfactory to the Representative, to the effect set forth above.

(f) Subsequent to the respective dates as of which information is given in the Registration Statement and the Final Prospectus, there shall not have been (i) any change or decrease specified in the letter or letters referred to in paragraph (e) of this Section 6 or (ii) any change, -----

or any development involving a prospective change, in or affecting the business or properties of the Company and its subsidiaries the effect of which, in any case referred to in clause (i) or (ii) above, is, in the -----

judgment of the Representative, so material and adverse as to make it impractical or inadvisable to proceed with the offering or the delivery of the Securities as contemplated by the Registration Statement and the Final Prospectus.

(g) Prior to the Closing Date, the Company shall have furnished to the Representative such further information, certificates and documents as

the Representative may reasonably request.

(h) The Company shall have accepted Delayed Delivery Contracts in any case where sales of Contract Securities arranged by the Underwriters have been approved by the Company.

If any of the conditions specified in this Section 6 shall not have been

fulfilled in all material respects when and as

-17-

provided in this Agreement, or if any of the opinions and certificates mentioned above or elsewhere in this Agreement shall not be in all material respects reasonably satisfactory in form and substance to the Representative and its counsel, this Agreement and all obligations of the Underwriters hereunder may be canceled at, or at any time prior to, the Closing Date by the Representative. Notice of such cancellation shall be given to the Company in writing or by telephone or telecopy confirmed in writing.

7. Reimbursement of Underwriters' Expenses. If the sale of the Securities

provided for herein is not consummated because any condition to the obligations of the Underwriters set forth in Section 6 hereof is not satisfied, or because of any refusal, inability or failure on the part of the Company to perform any agreement herein or comply with any provision hereof other than by reason of a default by any of the Underwriters, or because of the termination of this Agreement under Section 10, the Company will reimburse the Underwriters

severally upon demand for all out-of-pocket expenses (including reasonable fees and disbursements of counsel) that shall have been incurred by them in connection with the proposed purchase and sale of the Securities; such obligation of the Company to reimburse the Underwriters shall serve as the exclusive remedy of the Underwriters with respect to the Company.

8. Indemnification and Contribution. (a) The Company agrees to indemnify

and hold harmless each Underwriter and each person who controls any Underwriter within the meaning of either the Act or the Exchange Act against any and all losses, claims, damages or liabilities, joint or several, to which they or any of them may become subject under the Act, the Exchange Act or other Federal or state statutory law or regulation, at common law or otherwise, insofar as such losses, claims, damages or liabilities (or actions in respect thereof) arise out of or are based upon any untrue statement or alleged untrue statement of a material fact contained in the Registration Statement for the registration of the Securities as originally filed or in any amendment thereof, or in the Basic Prospectus, any Preliminary Final Prospectus or the Final Prospectus or in any amendment thereof or supplement thereto, or arise out of or are based upon the omission or alleged omission to state therein a material fact required to be stated therein or necessary to make the statements therein not misleading, and agrees to reimburse each such indemnified party, as incurred, for any legal or other expenses reasonably incurred by them in connection with investigating or defending any such loss, claim, damage, liability or action; provided, however,

that (i) the Company will not be liable in any such case to the extent that any such loss, claim, damage or liability arises out of or is based upon any such untrue statement or alleged untrue statement or omission or alleged

-18-

omission made therein in reliance upon and in conformity with written information furnished to the Company by or on behalf of any Underwriter through the Representative specifically for use in connection with the preparation thereof, (ii) such indemnity with respect to the Basic Prospectus or any Preliminary Final Prospectus shall not inure to the benefit of any Underwriter (or any person controlling such Underwriter) from whom the person asserting any such loss, claim, damage or liability purchased the Securities which are the subject thereof if such person did not receive a copy of the Final Prospectus (or the Final Prospectus as amended or supplemented) excluding documents incorporated therein by reference at or prior to the confirmation of the sale of such Securities to such person in any case where such delivery is required by the Act and the untrue statement or omission of a material fact contained in the Basic Prospectus or any Preliminary Final Prospectus was corrected in the Final Prospectus (or the Final Prospectus as amended or supplemented), and (iii) such indemnity with respect to the Prospectus shall not inure to the benefit of any Underwriter (or any person controlling such Underwriter) with respect to the use of such Prospectus in any manner subsequent to the period during which the Act required the delivery thereof. This indemnity agreement will be in addition to any liability which the Company may otherwise have. The Company shall not, without the prior written consent of each indemnified party, settle or compromise or consent to the entry of judgment in any pending or threatened

action, claim, litigation or proceeding in respect of which indemnification may be sought hereunder (whether or not any indemnified party is a party thereto), unless such settlement, compromise or consent includes an unconditional release of each indemnified party from all liability arising out of such action, claim, litigation or proceeding.

(b) Each Underwriter severally agrees to indemnify and hold harmless the Company, each of its directors, each of its officers who signs the Registration Statement, and each person who controls the Company within the meaning of either the Act or the Exchange Act, to the same extent as the foregoing indemnity from the Company to each Underwriter, but only with reference to written information relating to such Underwriter furnished to the Company by or on behalf of such Underwriter through the Representative specifically for use in the preparation of the documents referred to in the foregoing indemnity. This indemnity agreement will be in addition to any liability which any Underwriter may otherwise have. The Company acknowledges that the statements set forth in the last paragraph of the cover page, under the heading "Plan of Distribution" and, if Schedule I hereto provides for sales of Securities pursuant to delayed

delivery arrangements, in the last sentence under the heading "Delayed Delivery Arrangements" in any Preliminary Final Prospectus or the Final Prospectus constitute the only

-19-

information furnished in writing by or on behalf of the Underwriters for inclusion in the documents referred to in the foregoing indemnity, and you, as the Representative, confirm that such statements are correct.

(c) Promptly after receipt by an indemnified party under this Section 8 of -----
notice of the commencement of any action, such indemnified party will, if a claim in respect thereof is to be made against the indemnifying party under this Section 8, notify the indemnifying party in writing of the commencement thereof;

but the omission so to notify the indemnifying party will not relieve it from any liability which it may have to any indemnified party otherwise than under this Section 8. In case any such action is brought against any indemnified

party, and it notifies the indemnifying party of the commencement thereof, the indemnifying party will be entitled to participate therein, and to the extent that it may elect by written notice delivered to the indemnified party promptly after receiving the aforesaid notice from such indemnified party, to assume the defense thereof, with counsel satisfactory to such indemnified party; provided,

however, that if the defendants in any such action include both the indemnified

party and the indemnifying party and the indemnified party shall have reasonably concluded that there may be legal defenses available to it and/or other indemnified parties which are different from or additional to those available to the indemnifying party, the indemnified party or parties shall have the right to select separate counsel to assert such legal defenses and to otherwise participate in the defense of such action on behalf of such indemnified party or parties. Upon receipt of notice from the indemnifying party to such indemnified party of its election so to assume the defense of such action and approval by the indemnified party of counsel, the indemnifying party will not be liable to such indemnified party under this Section 8 for any legal or other expenses

subsequently incurred by such indemnified party in connection with the defense thereof unless (i) the indemnified party shall have employed separate counsel in connection with the assertion of legal defenses in accordance with the proviso to the next preceding sentence (it being understood, however, that the indemnifying party shall not be liable for the expenses of more than one separate counsel, approved by the Representative in the case of paragraph (a) of

this Section 8, representing the indemnified parties under such paragraph (a)

who are parties to such action), (ii) the indemnifying party shall not have employed counsel satisfactory to the indemnified party to represent the indemnified party within a reasonable time after notice of commencement of the action or (iii) the indemnifying party has authorized the employment of counsel for the indemnified party at the expense of the indemnifying party; and except that, if clause (i) or (iii) is applicable, such liability shall be only in

respect of the counsel referred to in such clause (i) or (iii).

-20-

(d) In order to provide for just and equitable contribution in circumstances in which the indemnification provided for in paragraph (a) of this

Section 8 is due in accordance with its terms but is for any reason held by a

court to be unavailable from the Company on grounds of policy or otherwise, the Company and the Underwriters shall contribute to the aggregate losses, claims, damages and liabilities (including legal or other expenses reasonably incurred in connection with investigating or defending same) to which the Company and one or more of the Underwriters may be subject in such proportion so that the Underwriters are responsible for that portion represented by the percentage that the underwriting discount bears to the sum of such discount and the purchase price of the Securities specified in Schedule I hereto and the Company is

responsible for the balance; provided, however, that (y) in no case shall any

Underwriter (except as may be provided in any agreement among underwriters relating to the offering of the Securities) be responsible for any amount in excess of the underwriting discount applicable to the Securities purchased by such Underwriter hereunder and (z) no person guilty of fraudulent misrepresentation (within the meaning of Section 11(f) of the Act) shall be entitled to contribution from any person who was not guilty of such fraudulent misrepresentation. For purposes of this Section 8, each person who controls an

Underwriter within the meaning of the Act or the Exchange Act shall have the same rights to contribution as such Underwriter, and each person who controls the Company within the meaning of either the Act or the Exchange Act, each officer of the Company who shall have signed the Registration Statement and each director of the Company shall have the same rights to contribution as the Company, subject in each case to clause (y) of this paragraph (d). Any party

entitled to contribution will, promptly after receipt of notice of commencement of any action, suit or proceeding against such party in respect of which a claim for contribution may be made against another party or parties under this paragraph (d), notify such party or parties from whom contribution may be

sought, but the omission to so notify such party or parties shall not relieve the party or parties from whom contribution may be sought from any other obligation it or they may have hereunder or otherwise than under this paragraph

(d).

9. Default by an Underwriter. If any one or more Underwriters shall fail

to purchase and pay for any of the Securities agreed to be purchased by such Underwriter or Underwriters hereunder and such failure to purchase shall constitute a default in the performance of its obligations under this Agreement, the remaining Underwriters shall be obligated severally to take up and pay for (in the respective proportions which the amount of Securities set forth opposite their names in Schedule II hereto bears to the aggregate amount of Securities

set forth opposite the names of all the remaining Underwriters)

-21-

the Securities which the defaulting Underwriter or Underwriters agreed but failed to purchase; provided, however, that in the event that the aggregate

amount of Securities which the defaulting Underwriter or Underwriters agreed but failed to purchase shall exceed 10% of the aggregate amount of Securities set forth in Schedule II hereto, the remaining Underwriters shall have the right

to purchase all, but shall not be under any obligation to purchase any, of the Securities, and if such nondefaulting Underwriters do not purchase all the Securities, this Agreement will terminate without liability to any nondefaulting Underwriter or the Company. In the event of a default by any Underwriter as set forth in this Section 9, the Closing Date shall be postponed for such period,

not exceeding seven days, as the Representative shall determine in order that the required changes in the Registration Statement and the Final Prospectus or in any other documents or arrangements may be effected. Nothing contained in this Agreement shall relieve any defaulting Underwriter of its liability, if any, to the Company and any nondefaulting Underwriter for damages occasioned by its default hereunder.

10. Termination. This Agreement shall be subject to termination in the

absolute discretion of the Representative, by notice given to the Company prior to delivery of and payment for the Securities, if after the date of this Agreement and prior to such time (i) there has been, since the respective dates as of which information is given in the Registration Statement, any material adverse change in the condition (financial or other), earnings, business or

properties of the Company and its subsidiaries, taken as a whole, whether or not arising from transactions in the ordinary course of business, except as set forth in the Final Prospectus, (ii) there has occurred any outbreak of hostilities or material escalation thereof or other calamity or crisis the effect of which on the financial markets of the United States is such to make it, in the Underwriter's judgment, impracticable to market the Securities or to enforce contracts for the sale of the Securities, (iii) if trading in the Company's Common Stock shall have been suspended by the Commission, (iv) if trading generally on either the American Stock Exchange or the New York Stock Exchange has been suspended, or minimum and maximum prices for trading have been fixed, or maximum ranges for prices for securities have been required, by either of said Exchanges or by order of the Commission or any other governmental authority, (v) a banking moratorium shall have been declared either by Federal or New York State authorities, or (vi) any downgrading shall have occurred in the rating accorded the Company's debt securities by any "nationally recognized statistical rating organization," as that term is defined by the Commission for purposes of Rule 436(g)(2) under the Act or any such organization shall have publicly announced that it has under

-22-

surveillance or review, with possible negative implications, its rating of any of the Company's debt securities;

11. Representations and Indemnities to Survive. The respective

agreements, representations, warranties, indemnities and other statements of the Company or its officers and of the Underwriters set forth in or made pursuant to this Agreement will remain in full force and effect, regardless of any investigation made by or on behalf of any Underwriter or the Company or any of the officers, directors or controlling persons referred to in Section 8 hereof,

and will survive delivery of and payment for the Securities. The provisions of Sections 7, 8 and 9 hereof shall survive the termination or cancellation of this

Agreement.

12. Notices. All communications hereunder will be in writing and

effective only on receipt, and, if sent to the Representative, will be mailed, delivered or telegraphed and confirmed to them, at the address specified in Schedule I hereto; or, if sent to the Company, will be mailed, delivered or

confirmed telecopy at 667 Madison Avenue, New York, New York 10021, attention of the Corporate Secretary.

13. Successors. This Agreement will inure to the benefit of and be

binding upon the parties hereto and their respective successors and the officers and directors and controlling persons referred to in Section 8 hereof, and no

other person will have any right or obligation hereunder.

14. Applicable Law. This Agreement will be governed by and construed in

accordance with the laws of the State of New York.

15. Counterparts. This Agreement may be signed in various counterparts

which together shall constitute one and the same instrument.

-23-

If the foregoing is in accordance with your understanding of our agreement, please sign and return to us the enclosed duplicate hereof, whereupon this letter and your acceptance shall represent a binding agreement among the Company and the Underwriter.

Very truly yours,

CUSIP 540424AK4

No. 001

US\$200,000,000

LOEWS CORPORATION, a corporation duly organized and existing under the laws of the State of Delaware (the "Company", which term includes any successor corporation under the Indenture hereinafter referred to), for value received, hereby promises to pay to Cede & Co., or registered assignees, the principal sum of Two Hundred Million Dollars (\$200,000,000) on December 15, 2006, and to pay interest thereon from December 9, 1996, or from the most recent Interest Payment Date to which interest has been paid or duly provided for, semi-annually on June 15 and December 15 of each year, commencing June 15, 1997, at the rate of 6 3/4% per annum, until the principal hereof becomes due and payable, and at such rate on any overdue principal and (to the extent that the payment of such interest shall be legally enforceable) on any overdue installment of interest. The interest so payable, and punctually paid or duly provided for, on any Interest Payment Date will, as provided in such Indenture, be paid to the Person in whose name this Debt Security (or one or more Predecessor Securities) is registered at the close of business of the Regular Record Date for such interest payment, which shall be the June 1 or December 1 (whether or not a Business Day), as the case may be, next preceding such Interest Payment Date. Any such interest not so punctually paid or duly provided for shall forthwith cease to be payable to the registered Holder on such Regular Record Date by virtue of his having been such Holder, and may either be paid to the Person in whose name this Debt Security (or one or more Predecessor Securities) is registered at the close of business on a Special Record Date for the payment of such Defaulted Interest to be fixed by the Trustee, notice whereof shall be given to Holders of Debt Securities of this series not less than 10 days prior to such Special Record Date, or be paid at any time in any other lawful manner not inconsistent with the requirements of any securities exchange on which the Debt Securities of this series may be listed, and upon such notice as may be required by such exchange, all as more fully provided in said Indenture.

Payment of the principal of (and premium, if any) and interest on this Debt Security will be made at the office or agency of the Company maintained for that purpose in the Borough of Manhattan, the City and State of New York, in such coin or currency of the United States of America as at the time of payment is legal tender for payment of public and private debts; provided, however,

that at the option of the Company payment of interest may be made by check mailed to the address of the Person entitled thereto as such address shall appear in the Security Register.

This security is one of a duly authorized issue of securities of the Company (the "Debt Securities"), issued or to be issued in one or more series under an indenture, dated as of March 1, 1986, as amended and

supplemented by a supplemental indenture (the "Supplemental Indenture"), dated as of March 30, 1993 (the "Indenture"), between the Company and The Chase Manhattan Bank (National Association), as trustee (the "Trustee", which term includes any successor Trustee under the Indenture), to which Indenture and all indentures supplemental thereto reference is hereby made for a statement of the respective rights, limitations of rights, duties and immunities thereunder of the Company, the Trustee and the Holders of the Debt Securities and of the terms upon which the Debt Securities are, and are to be, authenticated and delivered. This Debt Security is one of the series designated on the face hereof limited in aggregate principal amount to \$300,000,000.

The Debt Securities of this series are not subject to redemption prior to maturity.

If an Event of Default with respect to the Debt Securities of this series shall have occurred and be continuing, the principal of all the Debt Securities

of this series may be declared due and payable in the manner and with the effect provided in the Indenture.

The Indenture permits, with certain exceptions as therein provided, the amendment thereof and the modification of the rights and obligations of the Company and the rights of the Holders of the Debt Securities to be affected under the Indenture at any time by the Company and the Trustee with the consent of the Holders of not less than a majority in aggregate principal amount of the outstanding Debt Securities to be affected. The Indenture also contains provisions permitting the Holders of specified percentages in aggregate principal amount of the Debt securities of any series at the time Outstanding, on behalf of the Holders of all the Debt Securities of such series, to waive compliance by the Company with certain provisions of the Indenture and certain past defaults under the Indenture and their consequences. Any such consent or waiver by the Holder of this Debt Security shall be conclusive and binding upon such Holder and upon all future Holders of this Debt Security and of any Debt Security issued upon the registration of transfer hereof or in exchange herefor or in lieu hereof, whether or not notation of such consent or waiver is made upon this Debt Security.

Holders of Debt Securities may not enforce their rights pursuant to the Indenture or the Debt Securities except as provided in the Indenture. No reference herein to the Indenture and no provision of this Debt Security or of the Indenture shall alter or impair the obligation of the Company, which is absolute and unconditional, to pay the principal of (and premium, if any) and interest on this Debt Security at the times, place and rate, and in the coin or currency, herein prescribed.

The Debt Securities of this series are issuable in registered form without coupons in denominations of \$1,000 and any integral multiple thereof. As provided in the Indenture and subject to certain limitations therein set forth, Debt Securities of this series are exchangeable for a like aggregate principal amount of Debt Securities of this series of different authorized denominations, as requested by the Holder surrendering the same.

As provided in the Indenture and subject to certain limitations set forth, the transfer of this Debt Security is registerable in the Security Register of the Company, upon surrender of this Debt Security for registration of transfer at the office or agency of the Company in the Borough of Manhattan, the City and State of New York, duly endorsed by, or accompanied by a written instrument of transfer in form satisfactory to the Company, the Security Registrar and the Trustee duly executed by, the Holder hereof or his attorney duly authorized in writing, and thereupon one or more new Debt Securities of this series, of authorized denominations and for the same aggregate principal amount, will be issued to the designated transferee or transferees.

This Debt Security is in the form of a Global Security as provide in the Indenture. If at any time the Depository notifies the Company that it is unwilling or unable to continue as Depository for this Debt Security or if at any time the Depository for this series shall no longer be eligible or in good standing under the Securities Exchange Act of 1934, as amended, or other applicable statute or regulation, the Company shall

2

appoint a successor Depository with respect to this Debt Security. If a successor Depository for this Debt Security is not appointed by the Company within 90 days after the Company receives notice or becomes aware of such ineligibility, the Company will execute, and the Trustee or its agent, upon receipt of a Company Request for the authentication and delivery of certificates representing Debt Securities of this series in exchange for this Debt Security, will authenticate and deliver, certificates representing Debt Securities of this series of like tenor and terms in an aggregate principal amount equal to the principal amount of this Debt Security in exchange for this Debt Security.

The Company may at any time and in its sole discretion determine that this Debt Security or portion hereof shall no longer be represented in the form of a Global Security. In such event the Company will execute, and the Trustee, upon receipt of a Company Request for the authentication and delivery of certificates representing Debt Securities of this series in exchange in whole or in part for this Debt Security, will authenticate and deliver certificates representing Debt Securities of this series of like tenor and terms in definitive form in an aggregate principal amount equal to the principal amount of this Debt Security or portion hereof in exchange for this Debt Security.

If specified by the Company pursuant to the Indenture with respect to this Debt Security, the Depository may surrender this Debt Security in exchange in whole or in part for certificates representing Debt Securities of this series of like tenor and terms in definitive form on such terms as are acceptable to the Company and the Depository. Thereupon the Company shall execute, and the Trustee or its agent shall authenticate and deliver, without a service charge,

(1) to each Holder specified by the Security Registrar or the Depository a certificate or certificates representing Debt Securities of this series of like tenor and terms and of any authorized denomination as requested by such person in an aggregate principal amount equal to and in exchange for such Holder's beneficial interest as specified by the Security Registrar or the Depository in this Debt Security; and (2) to the Depository a new Global Security of like tenor and terms and in an authorized denomination equal to the difference, if any, between the principal amount of the surrendered Debt Security and the aggregate principal amount of certificates representing Debt Securities delivered to Holders thereof.

No service charge shall be made for any such registration of transfer or exchange, but the Company may require payment of a sum sufficient to cover any tax or other governmental charge payable in connection therewith.

Prior to due representation of this Debt Security for registration or transfer, the Company, the Trustee and any agent of the Company or the Trustee may treat the Person in whose name this Debt Security is registered as the owner hereof for all purposes, whether or not this Debt Security be overdue, and neither the Company, the Trustee nor any such agent shall be affected by notice to the contrary.

No recourse shall be had for the payment of the principal or of interest in this Debt Security, or for any claim based hereon, or otherwise in respect hereof, or based on or in respect of the Indenture or any indenture supplemental hereto, against any incorporator, stockholder, officer or director, as such, past, present or future, of the Company or of any successor corporation, whether by virtue of any constitution, statute or rule of law, or by the enforcement of any assessment or penalty or otherwise, all such liabilities being, by the acceptance hereof and as part of the consideration for the issue hereof, expressly waived and released.

The Debt Securities of this series are subject to defeasance at the option of the Company as provided in the Indenture.

All terms used in this Debt Security which are defined in the Indenture shall have the meanings assigned to them in the Indenture.

6 3/4% SENIOR NOTE DUE 2006

CUSIP 540424AK4

No. 002

US\$100,000,000

LOEWS CORPORATION, a corporation duly organized and existing under the laws of the State of Delaware (the "Company", which term includes any successor corporation under the Indenture hereinafter referred to), for value received,

hereby promises to pay to Cede & Co., or registered assignees, the principal sum of One Hundred Million Dollars (\$100,000,000) on December 15, 2006, and to pay interest thereon from December 9, 1996, or from the most recent Interest Payment Date to which interest has been paid or duly provided for, semi-annually on June 15 and December 15 of each year, commencing June 15, 1997, at the rate of 6 3/4% per annum, until the principal hereof becomes due and payable, and at such rate on any overdue principal and (to the extent that the payment of such interest shall be legally enforceable) on any overdue installment of interest. The interest so payable, and punctually paid or duly provided for, on any Interest Payment Date will, as provided in such Indenture, be paid to the Person in whose name this Debt Security (or one or more Predecessor Securities) is registered at the close of business of the Regular Record Date for such interest payment, which shall be the June 1 or December 1 (whether or not a Business Day), as the case may be, next preceding such Interest Payment Date. Any such interest not so punctually paid or duly provided for shall forthwith cease to be payable to the registered Holder on such Regular Record Date by virtue of his having been such Holder, and may either be paid to the Person in whose name this Debt Security (or one or more Predecessor Securities) is registered at the close of business on a Special Record Date for the payment of such Defaulted Interest to be fixed by the Trustee, notice whereof shall be given to Holders of Debt Securities of this series not less than 10 days prior to such Special Record Date, or be paid at any time in any other lawful manner not inconsistent with the requirements of any securities exchange on which the Debt Securities of this series may be listed, and upon such notice as may be required by such exchange, all as more fully provided in said Indenture.

Payment of the principal of (and premium, if any) and interest on this Debt Security will be made at the office or agency of the Company maintained for that purpose in the Borough of Manhattan, the City and State of New York, in such coin or currency of the United States of America as at the time of payment is legal tender for payment of public and private debts; provided, however,

that at the option of the Company payment of interest may be made by check mailed to the address of the Person entitled thereto as such address shall appear in the Security Register.

This security is one of a duly authorized issue of securities of the Company (the "Debt Securities"), issued or to be issued in one or more series under an indenture, dated as of March 1, 1986, as amended and

supplemented by a supplemental indenture (the "Supplemental Indenture"), dated as of March 30, 1993 (the "Indenture"), between the Company and The Chase Manhattan Bank (National Association), as trustee (the "Trustee", which term includes any successor Trustee under the Indenture), to which Indenture and all indentures supplemental thereto reference is hereby made for a statement of the respective rights, limitations of rights, duties and immunities thereunder of the Company, the Trustee and the Holders of the Debt Securities and of the terms upon which the Debt Securities are, and are to be, authenticated and delivered. This Debt Security is one of the series designated on the face hereof limited in aggregate principal amount to \$300,000,000.

The Debt Securities of this series are not subject to redemption prior to maturity.

If an Event of Default with respect to the Debt Securities of this series shall have occurred and be continuing, the principal of all the Debt Securities of this series may be declared due and payable in the manner and with the effect provided in the Indenture.

The Indenture permits, with certain exceptions as therein provided, the amendment thereof and the modification of the rights and obligations of the Company and the rights of the Holders of the Debt Securities to be affected under the Indenture at any time by the Company and the Trustee with the consent of the Holders of not less than a majority in aggregate principal amount of the outstanding Debt Securities to be affected. The Indenture also contains provisions permitting the Holders of specified percentages in aggregate principal amount of the Debt securities of any series at the time Outstanding, on behalf of the Holders of all the Debt Securities of such series, to waive compliance by the Company with certain provisions of the Indenture and certain past defaults under the Indenture and their consequences. Any such consent or waiver by the Holder of this Debt Security shall be conclusive and binding upon such Holder and upon all future Holders of this Debt Security and of any Debt Security issued upon the registration of transfer hereof or in exchange herefor or in lieu hereof, whether or not notation of such consent or waiver is made upon this Debt Security.

Holders of Debt Securities may not enforce their rights pursuant to the Indenture or the Debt Securities except as provided in the Indenture. No reference herein to the Indenture and no provision of this Debt Security or of the Indenture shall alter or impair the obligation of the Company, which is absolute and unconditional, to pay the principal of (and premium, if any) and

interest on this Debt Security at the times, place and rate, and in the coin or currency, herein prescribed.

The Debt Securities of this series are issuable in registered form without coupons in denominations of \$1,000 and any integral multiple thereof. As provided in the Indenture and subject to certain limitations therein set forth, Debt Securities of this series are exchangeable for a like aggregate principal amount of Debt Securities of this series of different authorized denominations, as requested by the Holder surrendering the same.

As provided in the Indenture and subject to certain limitations set forth, the transfer of this Debt Security is registerable in the Security Register of the Company, upon surrender of this Debt Security for registration of transfer at the office or agency of the Company in the Borough of Manhattan, the City and State of New York, duly endorsed by, or accompanied by a written instrument of transfer in form satisfactory to the Company, the Security Registrar and the Trustee duly executed by, the Holder hereof or his attorney duly authorized in writing, and thereupon one or more new Debt Securities of this series, of authorized denominations and for the same aggregate principal amount, will be issued to the designated transferee or transferees.

This Debt Security is in the form of a Global Security as provide in the Indenture. If at any time the Depository notifies the Company that it is unwilling or unable to continue as Depository for this Debt Security or if at any time the Depository for this series shall no longer be eligible or in good standing under the Securities Exchange Act of 1934, as amended, or other applicable statute or regulation, the Company shall

2

appoint a successor Depository with respect to this Debt Security. If a successor Depository for this Debt Security is not appointed by the Company within 90 days after the Company receives notice or becomes aware of such ineligibility, the Company will execute, and the Trustee or its agent, upon receipt of a Company Request for the authentication and delivery of certificates representing Debt Securities of this series in exchange for this Debt Security, will authenticate and deliver, certificates representing Debt Securities of this series of like tenor and terms in an aggregate principal amount equal to the principal amount of this Debt Security in exchange for this Debt Security.

The Company may at any time and in its sole discretion determine that this Debt Security or portion hereof shall no longer be represented in the form of a Global Security. In such event the Company will execute, and the Trustee, upon receipt of a Company Request for the authentication and delivery of certificates representing Debt Securities of this series in exchange in whole or in part for this Debt Security, will authenticate and deliver certificates representing Debt Securities of this series of like tenor and terms in definitive form in an aggregate principal amount equal to the principal amount of this Debt Security or portion hereof in exchange for this Debt Security.

If specified by the Company pursuant to the Indenture with respect to this Debt Security, the Depository may surrender this Debt Security in exchange in whole or in part for certificates representing Debt Securities of this series of like tenor and terms in definitive form on such terms as are acceptable to the Company and the Depository. Thereupon the Company shall execute, and the Trustee or its agent shall authenticate and deliver, without a service charge, (1) to each Holder specified by the Security Registrar or the Depository a certificate or certificates representing Debt Securities of this series of like tenor and terms and of any authorized denomination as requested by such person in an aggregate principal amount equal to and in exchange for such Holder's beneficial interest as specified by the Security Registrar or the Depository in this Debt Security; and (2) to the Depository a new Global Security of like tenor and terms and in an authorized denomination equal to the difference, if any, between the principal amount of the surrendered Debt Security and the aggregate principal amount of certificates representing Debt Securities delivered to Holders thereof.

No service charge shall be made for any such registration of transfer or exchange, but the Company may require payment of a sum sufficient to cover any tax or other governmental charge payable in connection therewith.

Prior to due representation of this Debt Security for registration or transfer, the Company, the Trustee and any agent of the Company or the Trustee may treat the Person in whose name this Debt Security is registered as the owner hereof for all purposes, whether or not this Debt Security be overdue, and neither the Company, the Trustee nor any such agent shall be affected by notice to the contrary.

No recourse shall be had for the payment of the principal or of interest in this Debt Security, or for any claim based hereon, or otherwise in respect hereof, or based on or in respect of the Indenture or any indenture supplemental

hereto, against any incorporator, stockholder, officer or director, as such, past, present or future, of the Company or of any successor corporation, whether by virtue of any constitution, statute or rule of law, or by the enforcement of any assessment or penalty or otherwise, all such liabilities being, by the acceptance hereof and as part of the consideration for the issue hereof, expressly waived and released.

The Debt Securities of this series are subject to defeasance at the option of the Company as provided in the Indenture.

All terms used in this Debt Security which are defined in the Indenture shall have the meanings assigned to them in the Indenture.

Ratio of income before cumulative effect of changes in accounting principle to fixed charges (a)	8.1x	8.0x	9.4x	2.6x(b)	4.4x(c)	(c)	9.8x(b)

(a) The ratio of income before cumulative effect of changes in accounting principles to fixed charges was computed by dividing income before cumulative effect of changes in accounting principles available for fixed charges (income before cumulative effect of changes in accounting principles, undistributed income of associated companies, income taxes and minority interest, adjusted for interest expense, amortization of debt issuance costs and one-third of rent expense) by fixed charges. Fixed charges include (i) interest costs, (ii) amortization of debt issuance costs, and (iii) one-third of rent expense, which the Company believes represents the interest factor attributable to rent. Since no preferred stock was outstanding during the periods presented, the ratio of income before cumulative effect of changes in accounting principles to fixed charges and preferred stock dividends would be the same as the ratios presented here.

(b) Income before cumulative effect of changes in accounting principles for the fiscal years ended December 31, 1994 and 1991 included \$91.6 and \$417.6, respectively, of distribution of CBS equity earnings.

(c) Income before cumulative effect of changes in accounting principles was insufficient to cover fixed charges by \$541.6 for the year ended December 31, 1992. This deficit reflected a \$1,500.0 increase in claim reserves by Casualty with respect to its potential exposure to asbestos-related bodily injury cases, resulting in an after-tax charge of \$822.7 against the Company's net income for the year ended December 31, 1992. In 1993, The Company added \$500.0 to such claim reserve, resulting in an after-tax charge of \$270.1 against the Company's net income for the year ended December 31, 1993.

THE COMPANY

Loews Corporation is a holding company. Its subsidiaries are engaged in the following lines of business: property, casualty and life insurance (CNA Financial Corporation, an 84% owned subsidiary, "CNA"); the production and sale of cigarettes (Lorillard, Inc., a wholly owned subsidiary, "Lorillard"); the operation of hotels (Loews Hotels Holding Corporation, a wholly owned subsidiary); the operation of oil and gas drilling rigs (Diamond Offshore Drilling, Inc., a 51% owned subsidiary); and the distribution and sale of watches and clocks (Bulova Corporation, a 97% owned subsidiary).

RECENT DEVELOPMENTS

On December 4, 1996, the Company announced its intention to call for redemption, on or about January 15, 1997, the entire principal amount of its currently outstanding 8 1/4% Debentures due 2007 (the "Debentures") at the redemption price of 103.60% of the principal amount thereof. In January 1987, the Company issued \$200.0 million of the Debentures, all of which are presently outstanding.

RISK FACTORS

ENVIRONMENTAL AND ASBESTOS

The CNA property/casualty insurance companies have potential exposures related to environmental and asbestos-related claims. Reference is made to, and the following is qualified in its entirety by reference to, Note 7 to the financial statements incorporated herein by reference to the Company's Quarterly Report on Form 10-Q for the quarter ended September 30, 1996, where a more extensive discussion of these matters may be found. See "Incorporation of Certain Documents by Reference" in the accompanying Prospectus.

Environmental pollution clean-up is the subject of both federal and state regulation. By some estimates, there are thousands of potential waste sites subject to clean-up. The insurance industry is involved in extensive litigation regarding coverage issues. Judicial interpretations in many cases have expanded the scope of coverage and liability beyond the original intent of the policies.

The Comprehensive Environmental Response Compensation and Liability Act of 1980 ("Superfund") and comparable state statutes ("mini-Superfund") govern the clean-up and restoration of abandoned toxic waste sites and formalize the concept of legal liability for clean-up and restoration by "Potentially Responsible Parties" ("PRP's"). Superfund and the mini-Superfunds ("Environmental Clean-up Laws" or "ECLs") establish a mechanism to pay for clean-up of waste sites if PRP's fail to do so, and to assign liability to PRP's. The extent of liability to be allocated to a PRP is dependent on a variety of factors. Further, the number of waste sites subject to clean-up is unknown. To date, approximately 1,300 clean-up sites have been identified by the Environmental Protection Agency on its National Priorities List. On the other hand, the Congressional Budget Office is

estimating that there will be 4,500 National Priority List sites, and other estimates project as many as 30,000 sites that will require clean-up under ECLs. Very few sites have been subject to clean-up to date. The extent of clean-up necessary and the assignment of liability has not been established.

CNA and the insurance industry are disputing coverage for many such claims. Key coverage issues include whether Superfund response costs are considered damages under the policies, trigger of coverage, applicability of pollution exclusions, the potential for joint and several liability and definition of an occurrence. Similar coverage issues exist for clean-up of waste sites not covered under Superfund. To date, courts have been inconsistent in their rulings on these issues.

A number of proposals to reform Superfund have been made by various parties. Despite Superfund taxing authority expiring at the end of 1995, no reforms have been enacted by Congress. While the next Congress may address this issue, no predictions can be made as to what positions the Congress or the Administration will take and what legislation, if any, will result. If there is legislation, and in some circumstances even if there is no legislation, the federal role in environmental clean-up may be materially reduced in favor of state action. Substantial changes in the federal statute or the activity of the EPA may cause states to reconsider their environmental clean-up statutes and regulations. There can be no meaningful prediction of the pattern of regulation that would result.

Due to the inherent uncertainties described above, including the inconsistency of court decisions, the number of waste sites subject to clean-up, and the standards for clean-up and liability, the ultimate exposure to CNA for environmental pollution claims cannot be meaningfully quantified. Claim and claim expense reserves represent management's estimates of ultimate liabilities based on currently available facts and case law. However, in addition to the uncertainties previously discussed, additional issues related to, among other things, specific policy provisions, multiple insurers and allocation of liability among insurers, consequences of conduct by the insured, missing policies and proof of coverage make quantification of liabilities exceptionally difficult and subject to adjustment based on new data. As of September 30, 1996 and December 31, 1995, CNA carried approximately \$802 million and \$1,030 million, respectively, of claim and claim expense reserves, net of reinsurance recoverable, for reported and unreported environmental pollution claims. There was no environmental reserve development for the nine months and quarter ended September 30, 1996. Adverse environmental reserve development of \$241 million for the year ended December 31, 1995 includes \$60 million related to The Continental Corporation (which CNA acquired in 1995) and results from CNA's on-going monitoring of settlement patterns, current pending cases and potential future claims. The foregoing reserve information relates to claims for accident years 1988 and prior, which coincides with CNA's adoption of the Simplified Commercial General Liability coverage form which included an absolute pollution exclusion.

CNA has exposure to asbestos-related claims, including those attributable to CNA's on-going litigation with Fibreboard Corporation ("Fibreboard"). CNA's litigation with Fibreboard regarding asbestos-related bodily injury claims is discussed below. Estimation of asbestos-related claim reserves encounter many of the same limitations discussed above for environmental pollution claims such as inconsistency of court decisions, specific policy provisions, multiple insurers and allocation of liability among insurers, missing policies and proof of coverage. As of September 30, 1996 and December 31, 1995, CNA carried approximately \$2,051 million and \$2,224 million, respectively, of claim and claim expense reserves, net of reinsurance recoverable, for reported and unreported asbestos-related claims. Unfavorable reserve development for the nine months ended September 30, 1996 and the year ended December 31, 1995, totaled \$38 million and \$258 million, respectively.

CNA, consistent with sound reserving practices, regularly adjusts its reserve estimates in subsequent reporting periods as new facts and circumstances emerge that indicate the previous estimates need to be modified. Beginning the latter part of 1995 and through 1996 to date, CNA has been actively settling many of its larger environmental pollution and asbestos-related claim exposures. This strategy has resulted in a large volume of claim payments during 1996, and corresponding reductions in reserves. In addition, Fibreboard claim payments escalated in 1996 as some scheduled payments came due. Management does not believe that these recent activities have changed facts or circumstances evident at December 31, 1995, therefore, no material modifications to previous reserve estimates have been made in 1996.

The results of operations in future years may continue to be adversely affected by environmental pollution and asbestos claims and claim expenses. Management will continue to monitor potential liabilities and make further adjustments as warranted.

Fibreboard Litigation

CNA's primary property/casualty subsidiary, Continental Casualty Company ("Casualty"), is party to litigation with Fibreboard involving coverage for certain asbestos-related claims and defense costs (San Francisco Superior Court, Judicial Council Coordination Proceeding 1072). As described below, Casualty, Fibreboard, another insurer (Pacific Indemnity, a subsidiary of the Chubb Corporation), and a negotiating committee of asbestos claimant attorneys (collectively referred to as "Settling Parties") have reached a Global Settlement (the "Global Settlement") to resolve all future asbestos-related bodily injury claims involving Fibreboard, which is subject to court approval. Casualty, Fibreboard and Pacific Indemnity have also reached an agreement (the "Trilateral Agreement") on a settlement to resolve the coverage litigation in the event the Global Settlement does not obtain final court approval or is subsequently successfully attacked. The implementation of the Global Settlement or the Trilateral Agreement would have the effect of settling Casualty's litigation with Fibreboard.

On July 27, 1995, the United States District Court for the Eastern District of Texas entered judgment approving the Global Settlement Agreement and the Trilateral Agreement. As expected, appeals were filed as respects both of these decisions. On July 25, 1996, a panel of the United States Fifth Circuit Court of Appeals in New Orleans affirmed the judgment approving the Global Settlement Agreement by a 2 to 1 vote and affirmed the judgment approving the Trilateral Agreement by a 3 to 0 vote. A petition was filed for re-hearing by the entire Fifth Circuit Court of Appeals as respects the decision on the Global Settlement Agreement. This petition was denied and a petition for review by the United States Supreme Court is expected to be filed.

No further appeal has been filed with respect to the Trilateral Agreement and CNA believes that the time to file any such further appeal has expired, and accordingly, CNA believes that court approval of the Trilateral Agreement has become final. CNA currently expects that Casualty's litigation with Fibreboard will be dismissed during the first quarter of 1997.

Global Settlement. On April 9, 1993, Casualty and Fibreboard entered into an agreement pursuant to which, among other things, the parties agreed to use their best efforts to negotiate and finalize a global class action settlement with asbestos-related bodily injury and death claimants.

On August 27, 1993, the Settling Parties reached an agreement in principle for an omnibus settlement to resolve all future asbestos-related bodily injury claims involving Fibreboard. The Global Settlement Agreement was executed on December 23, 1993. The agreement calls for contribution by Casualty and Pacific Indemnity of an aggregate of \$1.525 billion to a trust fund for a class of all future asbestos claimants, defined generally as those persons whose claims against Fibreboard were neither filed nor settled before August 27, 1993. An additional \$10 million is to be contributed to the fund by Fibreboard. As indicated hereinabove, the Global Settlement approval has been affirmed on appeal, however, further review is being sought and there is limited precedent with settlements which determine the rights of future claimants to seek relief.

Subsequent to the announcement of the agreement in principle, Casualty, Fibreboard and Pacific Indemnity entered into the Trilateral Agreement which among other things, settles the coverage case in the event the Global Settlement approval is not ultimately upheld. In such case, Casualty and Pacific Indemnity will contribute to a settlement fund an aggregate of \$2 billion, less certain adjustments. Such fund would be devoted to the payment of Fibreboard's asbestos liabilities other than liabilities for claims settled before August 23, 1993. Casualty's share of such fund would be \$1.44 billion reduced by a portion of an additional payment of \$635 million which Pacific Indemnity has agreed to pay for claims either filed or settled before August 27, 1993. Based upon receipt of the final approval of the Trilateral Agreement, Casualty will assume responsibility for the claims that were settled before August 27, 1993. A portion of the additional \$635 million to be contributed by Pacific Indemnity will be applied to the payment of such claims as well. As a part of the Global Settlement and the Trilateral

Agreement, Casualty is to be released by Fibreboard from any further liability under the comprehensive general liability policy written for Fibreboard by Casualty, including but not limited to liability for asbestos-related claims against Fibreboard. As indicated above, CNA believes that court approval of the Trilateral Agreement has become final and non-appealable.

Casualty and Fibreboard have entered into a supplemental agreement (the "Supplemental Agreement") which governs the interim arrangements and obligations between the parties until such time as the coverage case is finally resolved, either through final court approval of the Global Settlement Agreement, or final court disapproval of the Global Settlement Agreement and final court approval of the Trilateral Agreement, or through a final decision in the California courts. It also governs certain obligations between the parties upon the Global Settlement being upheld on appeal including the payment of claims which are not included in the Global Settlement.

In addition, Casualty and Pacific Indemnity have entered into an agreement (the "Casualty-Pacific Agreement") which sets forth the parties' agreement with respect to the means for allocating among themselves responsibility for payments arising out of the Fibreboard insurance policies. Under the Casualty-Pacific Agreement, Casualty and Pacific Indemnity have agreed to pay 64.71% and 35.29%, respectively, of the \$1.525 billion to be used to satisfy the claims of future claimants, plus certain expenses. The \$1.525 billion has already been deposited into an escrow for such purpose. Based upon the final approval of the Trilateral Agreement, Pacific Indemnity's share for unsettled present claims and presently settled claims will be \$635 million.

Through September 30, 1996, Casualty, Fibreboard and plaintiff attorneys had reached settlements with respect to approximately 133,700 claims, subject to resolution of the coverage issues, for an estimated settlement amount of approximately \$1.62 billion plus any applicable interest. Final court approval of the Trilateral Agreement obligates Casualty to pay under these settlements. Approximately \$705 million was paid through September 30, 1996. As described above, such payments are partially recoverable from Pacific Indemnity. Casualty may negotiate other agreements with various classes of claimants including groups who may have previously reached agreement with Fibreboard.

Reserves. In the fourth quarter of 1992, Casualty increased its reserve with respect to potential exposure to asbestos-related bodily injury cases by \$1.5 billion. In connection with the agreement in principle announced on August 27, 1993, Casualty added \$500 million to such claim reserve in the third quarter of 1993. The Fibreboard litigation represents the major portion of Casualty's asbestos-related claim exposure.

Casualty believes that final court approval of the Trilateral Agreement and its implementation will eliminate any further material exposure with respect to the Fibreboard matter.

Under various reinsurance agreements, Casualty has asserted a right to reimbursement for a portion of its potential exposure to Fibreboard. Casualty's principal reinsurers have disputed Casualty's right to reimbursement and have taken the position that any claim by Casualty is subject to arbitration under provisions in the reinsurance agreement. A federal court has ruled that the dispute must be resolved by arbitration. There can be no assurance that Casualty will be successful in obtaining a significant recovery under its reinsurance agreements.

TOBACCO-RELATED MATTERS

Lawsuits are being filed with increasing frequency against Lorillard (and in some cases against the Company) and other manufacturers of tobacco products seeking damages for tobacco operations including, without limitation, relating to cancer and other health effects claimed to have resulted from an individual's use of cigarettes or exposure to tobacco smoke. Plaintiffs have asserted claims based on, among other things, theories of negligence, fraud, misrepresentation, strict liability, breach of warranty, enterprise liability, civil conspiracy, intentional infliction of harm and failure to warn of the allegedly harmful and/or addictive nature of tobacco products. Plaintiffs seek unspecified amounts in compensatory and punitive damages in many cases, and in other cases damages are stated to amount to as much as \$100 million in compensatory damages and \$600 million in

punitive damages. In this regard, reference is made to, and the following is qualified in its entirety by reference to, Part II, Item 1 of the Company's Quarterly Report on Form 10-Q for the quarter ended September 30, 1996, where a more extensive discussion of these matters may be found. See "Incorporation of Certain Documents by Reference" in the accompanying Prospectus.

Conventional Smoking and Health Cases

There are 303 cases filed by individual plaintiffs against manufacturers of tobacco products pending in the United States federal and state courts. Lorillard is a named defendant in 79 of these cases. The Company is a defendant in four of these cases.

Class Actions. In addition to the foregoing cases, there are 21 purported class actions pending against cigarette manufacturers. Lorillard is a defendant in 19 of these cases and the Company is a defendant in 12 of these cases. Fourteen of the purported class actions against Lorillard seek damages for alleged nicotine addiction and health effects claimed to have resulted from the use of cigarettes; two allege health effects from exposure to tobacco smoke; and one seeks disclosure of additives used in cigarettes. Theories of liability include a broad range of product liability theories, theories based upon consumer protection statutes and fraud and misrepresentation.

Reimbursement Cases. In addition to the foregoing cases, there are 24 actions initiated in which governmental entities seek recovery of funds expended by them, and in one case health insurers, to provide health care to individuals with injuries or other health effects allegedly caused by use of tobacco products or exposure to cigarette smoke. These cases are based on, among other things, equitable claims including indemnity, restitution, unjust enrichment and public nuisance, and claims based on antitrust laws and state consumer protection acts. Lorillard is named as a defendant in all 24 such actions. The Company is named as defendant in eight of these cases.

Filter Cases. In addition to the foregoing cases, several cases have been filed against Lorillard seeking damages for cancer and other health effects claimed to have resulted from exposure to asbestos fibers which were incorporated, for a limited period of time, ending forty years ago, into the filter material used in one of the brands of cigarettes manufactured by Lorillard. Twelve such cases are pending in federal and state courts against Lorillard. Allegations of liability against Lorillard include negligence, strict liability, fraud, misrepresentation and breach of warranty. Plaintiffs seek unspecified amounts in compensatory and punitive damages in many cases, and in other cases damages are stated to amount to as much as \$10 million in compensatory damages and \$100 million in punitive damages.

Smoking and health related litigation has been brought by plaintiffs against Lorillard and other manufacturers of tobacco products for many years. While Lorillard intends to defend vigorously all such actions which may be brought against it, it is not possible to predict the outcome of any of this litigation. Litigation is subject to many uncertainties, and it is possible that some of these actions could be decided unfavorably. An unfavorable outcome of a pending smoking and health case could encourage the commencement of additional similar litigation.

Management is unable to make a meaningful estimate of the amount or range of loss that could result from an unfavorable outcome of pending litigation. It is possible that the Company's results of operations or cash flows in a particular quarterly or annual period or its financial position could be materially affected by an ultimate unfavorable outcome of certain pending litigation. Management believes, however, that the ultimate outcome of pending litigation should not have a material adverse effect on the Company's financial position.

In addition to the litigation referred to above, Lorillard has been notified of several governmental investigations pending against Lorillard and other tobacco manufacturers, which are described in greater detail under "Business--Lorillard, Inc." contained in Part I of the Company's Annual Report on Form 10-K for the year ended December 31, 1995. See "Incorporation of Certain Documents by Reference" in the accompanying

Prospectus. As a general matter, it is impossible at this time to predict the ultimate outcome of these investigations. An adverse outcome of any of these investigations could result in criminal, administrative or other proceedings against Lorillard.

Legislation and Regulation

In recent years, many federal, state, local and municipal governments and agencies, as well as private businesses, have adopted legislation, regulations and policies relating to the production, marketing and use of tobacco products which may have the effect of restricting such activities. This trend has increased in recent years. Additional laws, regulations and policies intended to prohibit, restrict or discourage smoking are being proposed or considered by various federal, state and local governments, agencies and private businesses with increasing frequency. Among other things, the FDA's proposed rules would severally restrict cigarette advertising and promotion, limit the manner in which tobacco products can be sold and require cigarette manufacturers to finance anti-smoking education programs. It is impossible at this time to predict whether or in what form any such measures would be adopted or what impact, if any, such measures would have on the Company or Lorillard. However, such measures could have a material adverse effect on the financial condition and results of operations of the Company. Reference is made to, and this paragraph is qualified in its entirety by reference to, the discussion of these matters under "Business--Lorillard, Inc." contained in Part I of the Company's Annual Report on Form 10-K for the year ended December 31, 1995. See "Incorporation of Certain Documents by Reference" in the accompanying Prospectus.

HOLDING COMPANY STRUCTURE

The Company is a holding company and derives all of its operating income and cash flow from its subsidiaries. The Company must rely entirely upon distributions from its subsidiaries to generate the funds necessary to meet its obligations, including the payment of principal and interest on the Notes. The ability of the Company's subsidiaries to make such payments will be subject to, among other things, applicable state laws and any restrictions that may be contained in credit agreements or other financing arrangements entered into by such subsidiaries. Claims of creditors of the Company's subsidiaries will generally have priority as to the assets of such subsidiaries over the claims of the Company and the holders of the Company's indebtedness and capital stock. No assurance can be given that there will not be further regulatory actions restricting the ability of the Company's subsidiaries to pay dividends and, accordingly, that funds held by the Company's subsidiaries will be available to the Company for payment of principal or interest on the Notes. Reference is made to, and this paragraph is qualified in its entirety by reference to, Note 13 of Notes to Consolidated Financial Statements in the Company's 1995 Annual Report to Shareholders for a discussion of limitations on the ability of certain of the insurance subsidiaries to pay dividends.

USE OF PROCEEDS

The net proceeds to be received by the Company from the sale of the Notes offered hereby will be used for general corporate purposes.

COMPUTATION OF RATIO OF EARNINGS TO FIXED CHARGES

The table below sets forth the Company's ratio of income before cumulative effect of changes in accounting principles to fixed charges which was computed by dividing income before cumulative effect of changes in accounting principles available for fixed charges (income before cumulative effect of changes in accounting principles, undistributed income of associated companies, income taxes and minority interest, adjusted for interest expense, amortization of debt issuance costs and one-third of rent expense) by fixed charges. Fixed charges include (a) interests costs, (b) amortization of debt issuance costs, and (c) one-third of rent expense, which the Company believes represents the interest factor attributable to rent. Since no preferred stock was outstanding during the periods presented, the ratio of income before cumulative effect of changes in accounting principles to fixed charges and preferred stock dividends would be the same as the ratios presented here.

NINE MONTHS ENDED SEPTEMBER 30,		YEARS ENDED DECEMBER 31,				
1996	1995	1995	1994	1993	1992	1991

Ratio of income before cumulative effect of accounting changes to fixed charges.....	8.1x	8.0x	9.4x	2.6x(a)	4.4x(b)	-- (b)	9.8x(a)
---	------	------	------	---------	---------	--------	---------

(a) Income available for fixed charges for the fiscal years ended December 31, 1994 and 1991 included \$91.6 million and \$417.6 million, respectively, of distribution of CBS equity earnings.

(b) Income before cumulative effect of changes in accounting principles was insufficient to cover fixed charges by \$541.6 million for the year ended December 31, 1992. This deficit reflected a \$1,500.0 million increase in claim reserves by Casualty, with respect to its potential exposure to asbestos-related bodily injury cases, resulting in an after-tax charge of \$822.7 million against the Company's net income for the year ended December 31, 1992. In 1993, the Company added \$500.0 million to such claim reserve, resulting in an after-tax charge of \$270.1 million against the Company's net income for the year ended December 31, 1993.

CAPITALIZATION

The following table sets forth the consolidated capitalization of the Company as of September 30, 1996, and as adjusted to reflect the sale of the Notes and the application of the net proceeds therefrom. The following information should be read in conjunction with the consolidated financial statements and related notes contained in the Company's Annual Report on Form 10-K for the year ended December 31, 1995, and the Company's Quarterly Reports on Form 10-Q for the quarters ended March 31, 1996, June 30, 1996, and September 30, 1996, which are incorporated herein by reference. See "Incorporation of Certain Documents by Reference" in the accompanying Prospectus.

- (2) On November 15, 1996, CNA Financial Corporation issued \$250 million of 6.8% notes due 2006.

DESCRIPTION OF THE NOTES

GENERAL

The following description of the particular terms of the 6 3/4% Senior Notes due 2006, offered hereby (referred to in the Prospectus as the "Senior Debt Securities" and the "Offered Securities") supplements, and, to the extent inconsistent therewith, replaces, the description of the general terms and provisions of the Debt Securities set forth in the prospectus, dated December 4, 1996 (the "Prospectus"), to which reference is hereby made.

The Notes are to be issued under an Indenture, dated as of March 1, 1986, as supplemented by a Supplemental Indenture No. 1 thereto, dated as of March 30, 1993 (the "Indenture"), between the Company and The Chase Manhattan Bank (National Association), as trustee (the "Trustee"). The Company believes that the following summary of certain provisions of the Indenture, together with the "Description of Senior Debt Securities" contained in the Prospectus, is a complete discussion of all material terms necessary to understand the Indenture. Capitalized terms not otherwise defined under the heading "Description of the Notes" have the meanings given to them in the Indenture.

The Notes will be unsecured and will rank pari passu with all other unsecured senior indebtedness of the Company from time to time outstanding. The Notes will be limited to \$300,000,000 aggregate principal amount, will mature on December 15, 2006, and will not be subject to redemption by the Company. The Notes will not be entitled to the benefit of any mandatory redemption or sinking fund. The Indenture does not limit the aggregate principal amount of Debt Securities that may be issued and provides that Debt Securities may be issued from time to time in one or more series.

The Notes will bear interest from December 9, 1996, payable semiannually on June 15 and December 15 of each year (each, an "Interest Payment Date"), commencing June 15, 1997, to the persons in whose names the Notes are registered in the security register on the preceding June 1 or December 1, as the case may be (each, a "Record Date"). Interest on the Notes will be computed on the basis of a 360-day year of twelve 30-day months.

Interest payable on any Interest Payment Date or at redemption or maturity shall be the amount of interest accrued from and including the next preceding Interest Payment Date in respect of which interest has been paid (or from and including December 9, 1996, if no interest has been paid with respect to such Note) to but excluding the Interest Payment Date or the date of redemption or maturity, as the case may be. If any Interest Payment Date, redemption date or the maturity date of a Note falls on a day that is not a Business Day, the payment shall be made on the next Business Day as if it were made on the date such payment was due and no interest shall accrue on the amount so payable for the period from and after such Interest Payment Date, redemption date or the maturity date, as the case may be. "Business Day" means any day, other than a Saturday or Sunday, on which banks in the City of New York are not required or authorized by law to close.

SAME-DAY SETTLEMENT AND PAYMENT

Settlement for the Notes will be made by the Underwriters in immediately available funds. All payments of principal and interest will be made by the Company in immediately available funds.

Secondary trading in long-term notes and debentures of corporate issuers is generally settled in clearing-house or next-day funds. In contrast, the Notes will trade in the Depository's Same-Day Funds Settlement System until maturity, and secondary market trading activity in the Notes will therefore be required by the Depository to settle in immediately available funds. No assurance can be given as to the effect, if any, of settlement in immediately available funds on trading activity in the Notes.

BOOK-ENTRY, DELIVERY AND FORM

Each of the Notes will be represented by Global Securities registered in the name of the nominee of the Depository. Beneficial interests in each Global Security will be shown on, and transfers thereof will be effected only through, records maintained by the Depository (with respect to beneficial interests of participants) or by

participants or persons that hold interests through participants (with respect to beneficial interests of beneficial owners). Owners of beneficial interests in the Global Securities will be entitled to physical delivery of Notes in certificated form equal in principal amount to their respective beneficial interests only under limited circumstances as specified in the Prospectus.

The following is based on information furnished by the Depository: The Depository is a limited-purpose trust company organized under the New York Banking Law, a "banking organization" within the meaning of the New York Banking Law, a member of the Federal Reserve System, a "clearing corporation" within the meaning of the New York Uniform Commercial Code, and a "clearing agency" registered pursuant to the provisions of Section 17A of the Securities Exchange Act of 1934, as amended. The Depository holds securities that its participants ("Participants") deposit with the Depository. The Depository also facilitates the settlement among Participants of securities transactions, such as transfers and pledges, in deposited securities through electronic computerized book-entry changes in Participants' accounts, thereby eliminating the need for physical movement of securities certificates. Direct Participants of the Depository ("Direct Participants") include securities brokers and dealers, banks, trust companies, clearing corporations and certain other organizations. The Depository is owned by a number of its Direct Participants and by the New York Stock Exchange, Inc., the American Stock Exchange, Inc., and the National Association of Securities Dealers, Inc. Access to the Depository's system is also available to others such as securities brokers and dealers, banks and trust companies that clear through or maintain a custodial relationship with a Direct Participant, either directly or indirectly. The rules applicable to the Depository and its Participants are on file with the Securities and Exchange Commission.

The provisions of Article Fourteen of the Indenture relating to defeasance, described in the Prospectus under "Description of Securities--Defeasance," are applicable to the Debentures.

UNDERWRITING

Subject to the terms and conditions set forth in an underwriting agreement (the "Underwriting Agreement") among the Company, Merrill Lynch, Pierce, Fenner & Smith Incorporated and Donaldson, Lufkin & Jenrette Securities Corporation (the "Underwriters"), the Company has agreed to sell to the Underwriters, and the Underwriters have severally agreed to purchase, the respective principal amount of the Notes set forth after their names below. The Underwriting Agreement provides that the obligations of the Underwriters are subject to certain conditions precedent and that the Underwriters will be obligated to purchase all of the Notes if any are purchased.

UNDERWRITER - - - - -	PRINCIPAL AMOUNT OF NOTES -----
Merrill Lynch, Pierce, Fenner & Smith Incorporated.....	\$150,000,000
Donaldson, Lufkin & Jenrette Securities Corporation.....	150,000,000

Total.....	\$300,000,000 =====

The Underwriters have advised the Company that they propose initially to offer the Notes to the public at the public offering price set forth on the cover page of this Prospectus Supplement, and to certain dealers at such price less a concession not in excess of .40% of the principal amount of the Notes. The Underwriters may allow, and such dealers may reallow, a discount not in excess of .25% of the principal amount of the Notes to certain other dealers. After the initial public offering, the public offering price, concession and discount may be changed.

All secondary trading in the Notes will settle in immediately available funds. See "Description of the Notes--Same-Day Settlement and Payment."

The Company has been advised by the Underwriters that they intend to make a market in the Notes, but they are not obligated to do so and may discontinue such market making at any time without notice. No assurance can be given as to the liquidity of the trading market for the Notes.

The Company has agreed to indemnify the Underwriters against certain liabilities, including liabilities under the Securities Act of 1933.

From time to time the Underwriters or affiliates thereof have engaged and may in the future engage in investment banking or commercial banking transactions with the Company or its affiliates in the ordinary course of business.

LEGAL OPINIONS

The legality of the Securities will be passed upon for the Company by Barry Hirsch, Esq., Senior Vice President, Corporate Secretary and General Counsel of the Company, and for the Underwriters by Mayer, Brown & Platt, New York, New York. Mayer, Brown & Platt also represents, from time to time, CNA.

LOEWS CORPORATION

\$700,000,000

DEBT SECURITIES

PREFERRED STOCK

Loews Corporation (the "Company") may offer from time to time its securities consisting of debentures, notes and/or other evidences of senior unsecured debt securities ("Senior Debt Securities"), subordinated unsecured debt securities ("Subordinated Debt Securities", and together with the Senior Debt Securities, the "Debt Securities"), or shares of preferred stock ("Preferred Stock"). The Debt Securities and shares of Preferred Stock (collectively, the "Securities") offered hereby may be offered, separately or together, in series and in amounts and on terms determined at the time of sale and to be set forth in a supplement to this Prospectus (a "Prospectus Supplement"). The Debt Securities may be offered in one or more series with the same or various maturities, at par or with an original issue discount and may be denominated either in U.S. dollars or foreign currencies, including the European Currency Unit ("ECU"). The Securities will be sold directly, through agents designated from time to time or through one or more underwriters or dealers, or a group of underwriters. See "Plan of Distribution."

The terms of the Securities, such as (i) in the case of the Debt Securities, the specific designation, currency in which the Debt Securities are denominated, aggregate principal amount, denominations, maturity, rate (which may be fixed or variable) and time of payment of interest, if any, terms for redemption at the option of the Company or the holder, and terms for sinking or purchase fund payments, (ii) in the case of the Preferred Stock, the specific title, number of shares or fractional interests therein, any dividend, liquidation, redemption, exchange, voting and other rights, preferences and privileges, and (iii) in the case of any Security, the public offering price, the names of any underwriters or agents, the amounts to be purchased by underwriters and the compensation of such underwriters or agents and the other terms in connection with the offering and sale of the Securities in respect of which this Prospectus is being delivered, will be, in each case, as set forth in the accompanying Prospectus Supplement. The Prospectus Supplement will also contain information, where applicable, about certain United States federal income tax considerations relating to the Securities covered by the Prospectus Supplement. All or a portion of the Securities may be issued in permanent or temporary global form.

The Debt Securities will be effectively subordinated to all existing and future obligations of the Company's subsidiaries. The Company's subsidiaries had approximately \$2,887 million aggregate principal amount of total indebtedness outstanding as of September 30, 1996. In addition, as of September 30, 1996, approximately \$1,171 million aggregate principal amount of existing indebtedness of the Company would rank pari passu with the Senior Debt Securities.

If the Securities are traded after their initial issuance, they may trade at a discount from their initial offering price, depending upon prevailing interest rates, the market for similar securities and other factors. While it is possible that an underwriter could inform the Company that it intended to make a market in the Securities, such underwriter would not be obligated to do so, and any such market making could be discontinued at any time without notice. Therefore, no assurance can be given as to whether an active trading market will develop for the Securities. The Company does not intend to apply for listing of the Securities on any securities exchange or on the National Association of Securities Dealers, Inc. automated quotation system.

THESE SECURITIES HAVE NOT BEEN APPROVED OR DISAPPROVED BY THE SECURITIES AND EXCHANGE COMMISSION OR ANY STATE SECURITIES COMMISSION NOR HAS THE SECURITIES AND EXCHANGE COMMISSION OR ANY STATE SECURITIES COMMISSION PASSED UPON THE ACCURACY OR ADEQUACY OF THIS PROSPECTUS. ANY REPRESENTATION TO THE CONTRARY IS A CRIMINAL OFFENSE.

The date of this Prospectus is December 4, 1996

CNA's principal business is insurance. As multiple-line insurers, CNA's insurance operations underwrite property, casualty, life, and accident and health coverages. Their principal market for insurance is the United States. Foreign operations are not significant. CNA's property and casualty insurance operations are conducted by Continental Casualty Company and The Continental Corporation and their property and casualty insurance affiliates, and its life insurance operations are conducted by Continental Assurance Company and its life insurance affiliates. Insurance products are marketed by CNA through independent agents and brokers. CNA accounted for 78.75%, 81.27% and 80.32% of the Company's total revenue for the fiscal years ended December 31, 1995, 1994 and 1993, respectively.

Lorillard's principal products are marketed under the brand names of Newport, Kent and True with substantially all of its sales in the United States. Lorillard's major trademarks outside of the United States were sold in 1977. Lorillard's largest selling brands are the Newport and Kent brands, which accounted for approximately 70% and 11%, respectively, of Lorillard's sales in 1995. Lorillard accounted for 11.00%, 14.29% and 13.95% of the Company's total revenue for the fiscal years ended December 31, 1995, 1994 and 1993, respectively.

Loews Hotels properties consist of 14 hotels, 11 of which are in the United States, two are in Canada and one is located in Monte Carlo. In addition to these properties, Loews Hotels has entered into an agreement to develop a new 800 room property in Miami Beach and has formed a joint venture with Universal Rank Hotel Partners which will develop and own two new hotels at Universal City, Florida. Loews Hotels accounted for 1.17%, 1.61% and 1.35% of the Company's total revenue for the fiscal years ended December 31, 1995, 1994 and 1993, respectively.

Diamond Offshore's business primarily consists of owning and operating offshore drilling rigs that are used on a contract basis by companies engaged in exploration and production of hydrocarbons. The Company entered the drilling business in 1989 and, through a series of acquisitions, operates 47 offshore rigs. Offshore rigs are mobile units that can be relocated based on market demand. Currently 62% of these rigs operate in the Gulf of Mexico, 9% operate in the North Sea and the remaining 29% are located in various foreign markets. Diamond Offshore accounted for 1.82%, 2.25% and 2.11% of the Company's total revenue for the fiscal years ended December 31, 1995, 1994 and 1993, respectively.

Bulova distributes and sells watches and clocks under the brand names of Bulova, Caravelle and Accutron with substantially all of its sales in the United States and Canada. All watches and clocks are purchased from foreign suppliers. Bulova accounted for .59%, 1.12% and 1.12% of the Company's total revenue for the fiscal years ended December 31, 1995, 1994 and 1993, respectively.

The Company also owns a 49% common stock interest in a joint venture which is engaged in the business of owning and operating six large crude oil tankers that are used primarily to transport crude oil from the Persian Gulf to a limited number of ports in the Far East, Northern Europe and the United States.

The Company is a holding company and derives all of its operating income and cash flow from its subsidiaries. The Company must rely entirely upon distributions from its subsidiaries to generate the funds necessary to meet its obligations, including the payment of principal and interest on the Securities. The ability of the Company's subsidiaries to make such payments will be subject to, among other things, applicable state laws

and any restrictions that may be contained in credit agreements or other financing arrangements entered into by such subsidiaries. Claims of creditors of the Company's subsidiaries will generally have priority as to the assets of such subsidiaries over the claims of the Company and the holders of the Company's indebtedness, including the Securities. See Note 13 of Notes to Consolidated Financial Statements in the Company's 1995 Annual Report to Shareholders for a discussion of limitations on the ability of certain of the insurance subsidiaries to pay dividends.

USE OF PROCEEDS

Unless otherwise indicated in the Prospectus Supplement, the net proceeds to be received from the sale of the Securities will be available for general corporate purposes.

DESCRIPTION OF SENIOR DEBT SECURITIES

The Senior Debt Securities are to be issued under an Indenture dated as of March 1, 1986, between the Company and The Chase Manhattan Bank (National Association), as trustee (the "Trustee"), as supplemented by a supplemental indenture, dated as of March 30, 1993 (as supplemented, the "Senior Indenture"), a copy of the form of which has been filed as an exhibit to the Registration Statement. The Company believes that the following summary of certain provisions of the Senior Indenture is a complete discussion of all material terms necessary to understand the Senior Indenture. Capitalized terms not otherwise defined under the heading "Description of Senior Debt Securities" have the meanings given to them in the Senior Indenture.

GENERAL

The Senior Debt Securities will rank equally with all other unsecured and unsubordinated debt of the Company. As of September 30, 1996, approximately \$1,171 million aggregate principal amount of existing debt of the Company would rank pari passu with the Senior Debt Securities. The Senior Indenture does not limit the amount of debt, either secured or unsecured, which may be issued by the Company under the Senior Indenture or otherwise. The Senior Debt Securities may be issued in one or more series with the same or various maturities and may be sold at par, a premium or an original issue discount. Senior Debt Securities sold at an original issue discount may bear no interest or interest at a rate which is below market rates.

Since the Company is a holding company, the right of the Company, and hence the rights of creditors and shareholders of the Company, to participate in any distribution of assets of any subsidiary upon its liquidation or reorganization or otherwise is accordingly subject to prior claims of creditors of the subsidiary, except to the extent that claims of the Company itself as a creditor of the subsidiary may be recognized.

Reference is made to the Prospectus Supplement for the following terms of the offered Senior Debt Securities (to the extent such terms are applicable to such Senior Debt Securities): (i) designation, aggregate principal amount, denomination and currency or currency unit; (ii) date of maturity; (iii) currency, currencies or ECU's for which such Senior Debt Securities may be purchased and in which principal of, premium, if any, and any interest will or may be payable; (iv) interest rate or rates (or the manner of calculation thereof), if any; (v) the times at which any such interest will be payable; (vi) the place or places where the principal of and interest, if any, will be payable; (vii) any redemption or sinking fund provisions; (viii) whether such Senior Debt Securities will be issuable in registered form or bearer form or both and, if issuable in bearer form, restrictions applicable to the exchange of one form for another and to the offer, sale and delivery of certificates in bearer form; (ix) whether and under what circumstances the Company will pay additional amounts on such Senior Debt Securities held by a person who is not a U.S. person (as defined below) in respect of any tax, assessment or governmental charge withheld or deducted and, if so, whether the Company will have the option to redeem such Senior Debt Securities rather than pay such additional amounts; (x) federal income tax consequences; (xi) whether and under what circumstances the Company will issue the Senior Debt Securities in whole or in part as

Global Securities; and (xii) any other specific terms of the offered Senior Debt Securities, including any terms which may be required by or advisable under United States laws or regulations. For purposes of this Prospectus, "U.S. person" means a citizen, national or resident of the United States of America, its territories, possessions and all areas subject to its jurisdiction (the "United States"), a corporation, partnership or other entity created or organized in or under the laws of the United States or any political subdivision thereof or an estate or trust the income of which is subject to United States federal income tax regardless of its source.

Senior Debt Securities may be presented for exchange, and registered Senior Debt Securities may be presented for transfer, in the manner, at the places and subject to the restrictions set forth in the Senior Debt Securities and the Prospectus Supplement. Such services will be provided without charge, other than any tax or other governmental charge payable in connection therewith, but subject to the limitations provided in the Indenture. Senior Debt Securities in bearer form and the coupons, if any, appertaining thereto will be transferable by delivery.

GLOBAL SECURITIES

The Senior Debt Securities of a series may be issued in whole or in part in the form of one or more Global Securities that will be deposited with, or on behalf of, a depository (the "Depository") identified in the Prospectus Supplement relating to such series. Global Securities may be issued only in fully registered form and may be issued in either temporary or permanent form. Unless and until it is exchanged in whole or in part for the individual Senior Debt Securities represented thereby, a Global Security may not be transferred except as a whole by the Depository for such Global Security to a nominee of such Depository or by a nominee of such Depository to such Depository or another nominee of such Depository or by the Depository or any nominee of such Depository to a successor Depository or any nominee of such successor.

The specific terms of the depository arrangement with respect to a series of Senior Debt Securities will be described in the Prospectus Supplement relating to such series. The Company anticipates that the following provisions will generally apply to depository arrangements.

Upon the issuance of a Global Security, the Depository for such Global Security or its nominee will credit on its book-entry registration and transfer system the respective principal amounts of the individual Senior Debt Securities represented by such Global Security to the accounts of persons that have accounts with such Depository ("Participants"). Such accounts shall be designated by the underwriters, dealers or agents with respect to such Senior Debt Securities or by the Company if such Senior Debt Securities are offered and sold directly by the Company. Ownership of beneficial interests in a Global Security will be limited to Participants or persons that may hold interests through Participants. Ownership of beneficial interests in such Global Security will be shown on, and the transfer of that ownership will be effected only through, records maintained by the applicable Depository or its nominee (with respect to interests of Participants) and records of Participants (with respect to interests of person who hold through Participants). The laws of some states require that certain purchasers of securities take physical delivery of such securities in definitive form. Such limits and such laws may impair the ability to own, pledge or transfer beneficial interests in a Global Security.

So long as the Depository for a Global Security or its nominee is the registered owner of such Global Security, such Depository or such nominee, as the case may be, will be considered the sole owner or holder of the Senior Debt Securities represented by such Global Security for all purposes under the Senior Indenture. Except as provided below, owners of beneficial interests in a Global Security will not be entitled to have any of the individual Senior Debt Securities of the series represented by such Global Security registered in their names, will not receive or be entitled to receive physical delivery of any such Senior Debt Securities of such series in definitive form and will not be considered the owners or holders thereof under the Senior Indenture.

Payments of principal of and any premium and any interest on individual Senior Debt Securities represented by a Global Security registered in the name of a Depository or its nominee will be made to the Depository or its nominee, as the case may be, as the registered owner of the Global Security representing such Senior Debt

Securities. None of the Company, the Trustee, any Paying Agent or the Security Registrar for such Senior Debt Securities will have any responsibility or liability for any aspect of the records relating to or payments made on account of beneficial ownership interests in the Global Security for such Senior Debt Securities or for maintaining, supervising or reviewing any records relating to such beneficial ownership interests.

The Company expects that the Depository for a series of Senior Debt Securities or its nominee, upon receipt of any payment of principal, premium or interest in respect of a permanent Global Security representing any of such Senior Debt Securities, immediately will credit Participants' accounts with payments in amounts proportionate to their respective beneficial interests in the principal amount of such Global Security for such Senior Debt Securities as shown on the records of such Depository or its nominee. The Company also expects that payments by Participants to owners of beneficial interests in such Global Security held through such Participants will be governed by standing instructions and customary practices, as is now the case with securities held for the accounts of customers in bearer form or registered in "street name". Such payments will be the responsibility of such Participants.

If a Depository for a series of Senior Debt Securities is at any time unwilling, unable or ineligible to continue as depository and a successor depository is not appointed by the Company within 90 days, the Company will issue individual Senior Debt Securities of such series in exchange for the Global Security representing such series of Senior Debt Securities. In addition, the Company may, at any time and in its sole discretion, subject to any limitations described in the Prospectus Supplement relating to such Senior Debt Securities, determine not to have any Senior Debt Securities of such series represented by one or more Global Securities and, in such event, will issue individual Senior Debt Securities of such series in exchange for the Global Security or Securities representing such series of Senior Debt Securities. Individual Senior Debt Securities of such series so issued will be issued in denominations, unless otherwise specified by the Company, of \$1,000 and integral multiples thereof.

DEFERANCE

At the Company's option, either (a) the Company will be Discharged (as hereinafter defined) from any and all obligations in respect of any series of Senior Debt Securities or (b) the Company shall cease to be under any obligation to comply with the restriction on its ability to merge, consolidate or sell assets set forth in the Senior Indenture, in either case if it deposits irrevocably with the Trustee, in trust, specifically for the benefit of the Holders of such series, money or U.S. Government Obligations (as hereinafter defined) which through the payment of interest thereon and principal thereof in accordance with their terms will provide money in an amount sufficient (in the written opinion of a nationally recognized firm of independent accountants in the case of U.S. Government Obligations or a combination of money and U.S. Government Obligations) to pay all the principal of, and interest on, the Senior Debt Securities of such series on the dates such payments are due in accordance with the terms of such Senior Debt Securities. To exercise such option, the Company is required to deliver to the Trustee an opinion of nationally recognized tax counsel to the effect that Holders of the Senior Debt Securities of such series will not recognize income, gain or loss for Federal income tax purposes as a result of such deposit and discharge and will be subject to Federal income tax on the same amounts and in the same manner and at the same times as would have been the case if such deposit and discharge had not occurred.

The term "Discharged" is defined to mean that the Company is deemed to have paid and discharged the entire indebtedness represented by, and obligations under, the Senior Debt Securities of such series and to have satisfied all the obligations under the Senior Indenture relating to the Senior Debt Securities of such series, except for (A) the rights of Holders of the Senior Debt Securities of such series to receive, from the trust fund described above, payment of the principal of and the interest on the Senior Debt Securities of such series when such payments are due, (B) the Company's obligations with respect to the Senior Debt Securities of such series with respect to registration, transfer, exchange, maintenance of a paying office and holding money in trust, and (C) the rights, powers, trusts, duties and immunities of the Trustee under the Senior Indenture.

The term "U.S. Government Obligations" is defined to mean securities that are (i) direct obligations of the United States of America for the payment of which its full faith and credit is pledged or (ii) obligations of a

Person controlled or supervised by and acting as an agency or instrumentality of the United States of America the payment of which is unconditionally guaranteed as a full faith and credit obligation by the United States of America, which, in either case under clauses (i) or (ii) are not callable or redeemable at the option of the issuer thereof, and also includes a depository receipt issued by a bank or trust company, as custodian with respect to any such U.S. Government Obligation or a specific payment of interest on or principal of any such U.S. Government Obligation held by such custodian for the account of the holder of a depository receipt, provided that (except as required by law) such custodian is not authorized to make any deduction from the amount payable to the holder of such depository receipt from any amount received by the custodian in respect of the U.S. Government Obligation or the specific payment of interest on or principal of the U.S. Government Obligations evidenced by such depository receipt (Article Fourteen).

MODIFICATION OF THE SENIOR INDENTURE

Modifications and amendments of the Senior Indenture may be made by the Company and the Trustee with the consent of the Holders of not less than a majority in principal amount of all Outstanding Senior Debt Securities affected by such modification or amendment; provided, however, that no such modification or amendment may, without the consent of the Holder of each Outstanding Debt Security affected thereby: (1) change the Stated Maturity of the principal of, or any installment of principal of or interest on, any Debt Security; (2) reduce the principal amount of or interest on any Debt Security; (3) change certain other terms of payment of any Debt Security; or (4) reduce the percentage of the principal amount of the Outstanding Debt Security of any series, the consent of whose Holders is required to modify or amend the Senior Indenture or waive compliance with, or consent to certain defaults under, the provisions of the Senior Indenture (Section 902). The Board of Directors of the Company does not have the power to waive any of the covenants of the Senior Indenture, including those relating to consolidation, merger or sale of assets.

EVENTS OF DEFAULT, NOTICE AND WAIVER

The following will be Events of Default with respect to any particular series of the Senior Debt Securities: (1) default in any payment of interest on such series when due continued for 30 days; (2) default in any payment of principal and premium, if any, of, or sinking fund installment on, such series when due; (3) default in the performance, or breach, of any covenant or warranty of the Company applicable to such series continued for 60 days after written notice to the Company by the Trustee or the Holders of at least 25% in principal amount of such series; (4) default shall occur resulting in the acceleration of any indebtedness of the Company for money borrowed in excess of \$50,000,000 under the terms of the instrument under which such indebtedness is or may be outstanding, if such acceleration is not rescinded or annulled within 10 days after notice to the Company by the Trustee or the Holders of at least 25% in principal amount of such series; and (5) certain events of bankruptcy, insolvency or reorganization in respect of the Company (Section 501). No Event of Default with respect to a particular series of Senior Debt Securities necessarily constitutes an Event of Default with respect to any other series of Senior Debt Securities. (Section 501)

The Trustee shall, within 90 days after the occurrence of any default with respect to any series of the Senior Debt Securities, give to the Holders thereof notice of such default known to the Trustee, unless such default shall have been cured or waived (the term default for this purpose means any event which is, or after notice or lapse of time, or both, would become, an Event of Default); provided that, except in the case of a default in the payment of principal of or interest on any of such Senior Debt Securities, the Trustee shall be protected in withholding such notice if and so long as it in good faith determines that the withholding of such notice is in the interest of the Holders thereof (Section 602).

The Company will be required to furnish to the Trustee each year a statement as to the fulfillment by the Company of its obligations under the Senior Indenture (Section 1004).

The Holders of a majority in principal amount of the Outstanding Senior Debt Securities of any series may, in respect thereof, waive certain defaults and may direct the time, method and place of conducting any

proceeding for any remedy available to the Trustee or exercising any trust or power conferred on the Trustee, provided that such direction shall not be in conflict with any rule of law or with the Senior Indenture (Sections 512, 513). The Senior Indenture provides that in case an Event of Default shall occur and be continuing with respect to any series of the Senior Debt Securities, the Trustee will be required to exercise any of its rights and powers under the Senior Indenture with the degree of care and skill such as a prudent man would exercise in the conduct of his own affairs (Section 601). Subject to such provisions, the Trustee will be under no obligation to exercise any of its rights or powers under the Senior Indenture at the direction of any of the Holders of such Senior Debt Securities unless such Holders shall have offered to the Trustee reasonable security or indemnity against the costs, expenses and liabilities which might be incurred by the Trustee in complying with such direction (Section 603).

If an Event of Default shall occur and be continuing with respect to the Senior Debt Securities of any series, the Trustee or the Holders of at least 25% in principal amount of such series may declare such series due and payable (Section 502).

The Senior Indenture provides that no Holder of Senior Debt Securities of any series may institute any action against the Company under the Senior Indenture (except actions for payment of overdue principal or interest) unless the Holders of at least 25% in principal amount of such series have requested the Trustee to institute such action and have offered the Trustee reasonable indemnity, and the Trustee has not instituted such action within 60 days of such request (Section 507).

CONSOLIDATION, MERGER OR SALE OF ASSETS OF THE COMPANY

The Company shall not consolidate with or merge into any other corporation or sell its assets substantially as an entirety, unless (1) the corporation formed by such consolidation or into which the Company is merged or the corporation which acquires its assets is organized in the United States and expressly assumes the due and punctual payment of the principal of (and premium, if any) and interest on all the Senior Debt Securities, if any, issued under the Senior Indenture and the performance of every covenant of the Senior Indenture on the part of the Company to be performed and (2) immediately after giving effect to such transaction, no Event of Default, and no event which after notice or lapse of time or both would become an Event of Default, shall have happened and be continuing. Upon any such consolidation, merger or sale, the successor corporation formed by such consolidation, or into which the Company is merged or to which such sale is made, shall succeed to, and be substituted for, the Company under the Senior Indenture (Sections 801, 802).

Other than the covenants described above, or as set forth in any accompanying Prospectus Supplement, the Senior Indenture and the Senior Debt Securities do not contain any covenants or other provisions designed to afford holders of the Senior Debt Securities protection in the event of a takeover, recapitalization or a highly leveraged transaction involving the Company.

CONCERNING THE TRUSTEE

The Company and the Trustee may from time to time engage in normal and customary banking transactions.

DESCRIPTION OF SUBORDINATED DEBT SECURITIES

The Subordinated Debt Securities are to be issued under an Indenture dated as of December 1, 1985, between the Company and Chemical Bank, as trustee (the "Trustee"), as supplemented by a supplemental indenture, dated as of March 30, 1993 (as supplemented, the "Subordinated Indenture"), a copy of the form of which has been filed as an exhibit to the Registration Statement. The Company believes that the following summary of certain provisions of the Subordinated Indenture is a complete discussion of all material terms necessary to understand the Subordinated Indenture. Capitalized terms not otherwise defined under the heading "Description of Subordinated Debt Securities" have the meanings given to them in the Subordinated Indenture.

GENERAL

The Subordinated Debt Securities will rank equally with all other unsecured and subordinated debt of the Company except for debt which may be subordinated to Senior Indebtedness but which by its terms is made expressly senior to the Subordinated Debt Securities. As of September 30, 1996, approximately \$1,171 million aggregate principal amount of existing debt of the Company would rank senior to the Subordinated Debt Securities. The Subordinated Indenture does not limit the amount of debt, either secured or unsecured, which may be issued by the Company under the Subordinated Indenture or otherwise. The Subordinated Debt Securities may be issued in one or more series with the same or various maturities and may be sold at par, a premium or an original issue discount. Subordinated Debt Securities sold at an original issue discount may bear no interest or interest at a rate which is below market rates.

Since the Company is a holding company, the rights of the Company, and hence the rights of creditors and shareholders of the Company, to participate in any distribution of assets of any subsidiary upon its liquidation or reorganization or otherwise is accordingly subject to prior claims of creditors of the subsidiary, except to the extent that claims of the Company itself as a creditor of the subsidiary may be recognized.

Reference is made to the Prospectus Supplement for the following terms of the offered Subordinated Debt Securities (to the extent such terms are applicable to such Subordinated Debt Securities): (i) designation, aggregate principal amount, denomination and currency or currency unit; (ii) date of maturity; (iii) currency, currencies or ECU's for which such Subordinated Debt Securities may be purchased and in which principal of, premium, if any, and any interest will or may be payable; (iv) interest rate or rates (or the manner of calculation thereof), if any; (v) the times at which any such interest will be payable; (vi) the place or places where the principal of and interest, if any, will be payable; (vii) any redemption or sinking fund provisions; (viii) whether such Subordinated Debt Securities will be issuable in registered form or bearer form or both and, if issuable in bearer form, restrictions applicable to the exchange of one form for another and to the offer, sale and delivery of certificates in bearer form; (ix) whether and under what circumstances the Company will pay additional amounts on such Subordinated Debt Securities held by a person who is not a U.S. person (as defined below) in respect of any tax, assessment or governmental charge withheld or deducted and, if so, whether the Company will have the option to redeem such Subordinated Debt Securities rather than pay such additional amounts; (x) federal income tax consequences; (xi) whether and under what circumstances the Company will issue the Subordinated Debt Securities in whole or in part as Global Securities; and (xii) any other specific terms of the offered Subordinated Debt Securities, including any terms which may be required by or advisable under United States laws or regulations. For purposes of this Prospectus, "U.S. person" means a citizen, national or resident of the United States of America, its territories, possessions and all areas subject to its jurisdiction (the "United States"), a corporation, partnership or other entity created or organized in or under the laws of the United States or any political subdivision thereof or an estate or trust the income of which is subject to United States federal income tax regardless of its source.

Subordinated Debt Securities may be presented for exchange, and registered Subordinated Debt Securities may be presented for transfer, in the manner, at the places and subject to the restrictions set forth in the Subordinated Debt Securities and the Prospectus Supplement. Such services will be provided without charge, other than any tax or other governmental charge payable in connection therewith, but subject to the limitations provided in the Subordinated Indenture. Subordinated Debt Securities in bearer form and the coupons, if any, appertaining thereto will be transferable by delivery.

GLOBAL SECURITIES

The Subordinated Debt Securities of a series may be issued in whole or in part in the form of one or more Global Securities that will be deposited with, or on behalf of, a depository (the "Depository") identified in the Prospectus Supplement relating to such series. Global Securities may be issued only in fully registered

form and in either temporary or permanent form. Unless and until it is exchanged in whole or in part for the individual Subordinated Debt Securities represented thereby, a Global Security may not be transferred except as a whole by the Depository for such Global Security to a nominee of such Depository or by a nominee of such Depository to such Depository or another nominee of such Depository or by the Depository or any nominee of such Depository to a successor Depository or any nominee of such successor.

The specific terms of the depository arrangement with respect to a series of Subordinated Debt Securities will be described in the Prospectus Supplement relating to such series. The Company anticipates that the following provisions will generally apply to depository arrangements.

Upon the issuance of a Global Security, the Depository for such Global Security or its nominee will credit on its book-entry registration and transfer system the respective principal amounts of the individual Subordinated Debt Securities represented by such Global Security to the accounts of persons that have accounts with such Depository ("Participants"). Such accounts shall be designated by the underwriters, dealers or agents with respect to such Subordinated Debt Securities or by the Company if such Subordinated Debt Securities are offered and sold directly by the Company. Ownership of beneficial interests in a Global Security will be limited to Participants or persons that may hold interests through Participants. Ownership of beneficial interests in such Global Security will be shown on, and the transfer of that ownership will be effected only through, records maintained by the applicable Depository or its nominee (with respect to interests of Participants) and records of Participants (with respect to interests of person who hold through Participants). The laws of some states require that certain purchasers of securities take physical delivery of such securities in definitive form. Such limits and such laws may impair the ability to own, pledge or transfer beneficial interests in a Global Security.

So long as the Depository for a Global Security or its nominee is the registered owner of such Global Security, such Depository or such nominee, as the case may be, will be considered the sole owner or holder of the Subordinated Debt Securities represented by such Global Security for all purposes under the Subordinated Indenture. Except as provided below, owners of beneficial interests in a Global Security will not be entitled to have any of the individual Subordinated Debt Securities of the series represented by such Global Security registered in their names, will not receive or be entitled to receive physical delivery of any such Subordinated Debt Securities of such series in definitive form and will not be considered the owners or holders thereof under the Subordinated Indenture.

Payments of principal of and any premium and any interest on individual Subordinated Debt Securities represented by a Global Security registered in the name of a Depository or its nominee will be made to the Depository or its nominee, as the case may be, as the registered owner of the Global Security representing such Subordinated Debt Securities. None of the Company, the Trustee, any Paying Agent or the Security Registrar for such Subordinated Debt Securities will have any responsibility or liability for any aspect of the records relating to or payments made on account of beneficial ownership interests in the Global Security for such Subordinated Debt Securities or for maintaining, supervising or reviewing any records relating to such beneficial ownership interests.

The Company expects that the Depository for a series of Subordinated Debt Securities or its nominee, upon receipt of any payment of principal, premium or interest in respect of a permanent Global Security representing any of such Subordinated Debt Securities, immediately will credit Participants' accounts with payments in amounts proportionate to their respective beneficial interests in the principal amount of such Global Security for such Subordinated Debt Securities as shown on the records of such Depository or its nominee. The Company also expects that payments by Participants to owners of beneficial interests in such Global Security held through such Participants will be governed by standing instructions and customary practices, as is now the case with securities held for the accounts of customers in bearer form or registered in "street name". Such payments will be the responsibility of such Participants.

If a Depository for a series of Subordinated Debt Securities is at any time unwilling, unable or ineligible to continue as depository and a successor depository is not appointed by the Company within 90 days, the Company will issue individual Subordinated Debt Securities of such series in exchange for the Global Security representing such series of Subordinated Debt Securities. In addition, the Company may, at any time and in its sole discretion, subject to any limitations described in the Prospectus Supplement relating to such Subordinated Debt Securities, determine not to have any Subordinated Debt Securities of such series represented by one or more Global Securities and, in such event, will issue individual Subordinated Debt Securities of such series in exchange for the Global Security or Securities representing such series of Subordinated Debt Securities. Individual Subordinated Debt Securities of such series so issued will be issued in denominations, unless otherwise specified by the Company, of \$1,000 and integral multiples thereof.

DEFEASANCE

At the Company's option, either (a) the Company will be Discharged (as hereinafter defined) from any and all obligations in respect of any series of Subordinated Debt Securities or (b) the Company shall cease to be under any obligation to comply with the restriction on its ability to merge, consolidate or sell assets set forth in the Subordinated Indenture, in either case if it deposits irrevocably with the Trustee, in trust, specifically for the benefit of the Holders of such series, money or U.S. Government Obligations (as hereinafter defined) which through the payment of interest thereon and principal thereof in accordance with their terms will provide money in an amount sufficient (in the written opinion of a nationally recognized firm of independent accountants in the case of U.S. Government Obligations or a combination of money and U.S. Government Obligations) to pay all the principal of, and interest on, the Subordinated Debt Securities of such series on the dates such payments are due in accordance with the terms of such Subordinated Debt Securities. To exercise such option, the Company is required to deliver to the Trustee an opinion of nationally recognized tax counsel to the effect that Holders of the Subordinated Debt Securities of such series will not recognize income, gain or loss for Federal income tax purposes as a result of such deposit and discharge and will be subject to Federal income tax on the same amounts and in the same manner and at the same times as would have been the case if such deposit and discharge had not occurred.

The term "Discharged" is defined to mean that the Company is deemed to have paid and discharged the entire indebtedness represented by, and obligations under, the Subordinated Debt Securities of such series and to have satisfied all the obligations under the Subordinated Indenture relating to the Subordinated Debt Securities of such series, except for (A) the rights of Holders of the Subordinated Debt Securities of such series to receive, from the trust fund described above, payment of the principal of and the interest on the Subordinated Debt Securities of such series when such payments are due, (B) the Company's obligations with respect to the Subordinated Debt Securities of such series with respect to registration, transfer, exchange, maintenance of a paying office and holding money in trust and (C) the rights, powers, trusts, duties and immunities of the Trustee under the Subordinated Indenture.

The term "U.S. Government Obligations" is defined to mean securities that are (i) direct obligations of the United States of America for the payment of which its full faith and credit is pledged or (ii) obligations of a Person controlled or supervised by and acting as an agency or instrumentality of the United States of America the payment of which is unconditionally guaranteed as a full faith and credit obligation by the United States of America, which, in either case under clauses (i) or (ii) are not callable or redeemable at the option of the issuer thereof, and also includes a depository receipt issued by a bank or trust company, as custodian with respect to any such U.S. Government Obligation or a specific payment of interest on or principal of any such U.S. Government Obligation held by such custodian for the account of the holder of a depository receipt, provided that (except as required by law) such custodian is not authorized to make any deduction from the amount payable to the holder of such depository receipt from any amount received by the custodian in respect of the U.S. Government Obligation or the specific payment of interest on or principal of the U.S. Government Obligations evidenced by such depository receipt (Article Fifteen).

MODIFICATION OF THE SUBORDINATED INDENTURE

Modifications and amendments of the Subordinated Indenture may be made by the Company and the Trustee with the consent of the Holders of not less than a majority in principal amount of all Outstanding Subordinated Debt Securities affected by such modification or amendment; provided, however, that no such modification or amendment may, without the consent of the Holder of each Outstanding Subordinated Debt Security affected thereby: (1) change the Stated Maturity of the principal of, or any installment of principal of or interest on, any Debt Security; (2) reduce the principal amount of or interest on any Debt Security; (3) change certain other terms of payment of any Debt Security; or (4) reduce the percentage of the principal amount of the Outstanding Debt Security of any series, the consent of whose Holders is required to modify or amend the Subordinated Indenture or waive compliance with, or consent to certain defaults under, the provisions of the Subordinated Indenture (Section 902). The Board of Directors of the Company does not have the power to waive any of the covenants of the Subordinated Indenture, including those relating to consolidation, merger or sale of assets.

EVENTS OF DEFAULT, NOTICE AND WAIVER

The following will be Events of Default with respect to any particular series of the Subordinated Debt Securities: (1) default in any payment of interest on such series when due continued for 30 days; (2) default in any payment of principal and premium, if any, of, or sinking fund installment on, such series when due; (3) default in the performance, or breach, of any covenant or warranty of the Company applicable to such series continued for 60 days after written notice to the Company by the Trustee or the Holders of at least 25% in principal amount of such series; (4) default shall occur resulting in the acceleration of any indebtedness of the Company for money borrowed in excess of \$50,000,000 under the terms of the instrument under which such indebtedness is or may be outstanding, if such acceleration is not rescinded or annulled within 10 days after notice to the Company by the Trustee or the Holders of at least 25% in principal amount of such series; and (5) certain events of bankruptcy, insolvency or reorganization in respect of the Company (Section 501). No Event of Default with respect to a particular series of Subordinated Debt Securities necessarily constitutes an Event of Default with respect to any other series of Subordinated Debt Securities (Section 501).

The Trustee shall, within 90 days after the occurrence of any default with respect to any series of the Subordinated Debt Securities, give to the Holders thereof notice of such default known to the Trustee, unless such default shall have been cured or waived (the term default for this purpose means any event which is, or after notice or lapse of time, or both, would become, an Event of Default); provided that, except in the case of a default in the payment of principal of or interest on any of such Subordinated Debt Securities, the Trustee shall be protected in withholding such notice if and so long as it in good faith determines that the withholding of such notice is in the interest of the Holders thereof (Section 602).

The Company will be required to furnish to the Trustee each year a statement as to the fulfillment by the Company of its obligations under the Subordinated Indenture (Section 1004).

The Holders of a majority in principal amount of the Outstanding Subordinated Debt Securities of any series may, in respect thereof, waive certain defaults and may direct the time, method and place of conducting any proceeding for any remedy available to the Trustee or exercising any trust or power conferred on the Trustee, provided that such direction shall not be in conflict with any rule of law or with the Subordinated Indenture (Sections 512, 513). The Subordinated Indenture provides that in case an Event of Default shall occur and be continuing with respect to any series of the Subordinated Debt Securities, the Trustee will be required to exercise any of its rights and powers under the Subordinated Indenture with the degree of care and skill such as a prudent man would exercise in the conduct of his own affairs (Section 601). Subject to such provisions, the Trustee will be under no obligation to exercise any of its rights or powers under the Subordinated Indenture at the direction of any of the Holders of such Subordinated Debt Securities unless such Holders shall have offered to the Trustee reasonable security or indemnity against the costs, expenses and liabilities which might be incurred by the Trustee in complying with such direction (Section 603).

If an Event of Default shall occur and be continuing with respect to the Subordinated Debt Securities of any series, the Trustee or the Holders of at least 25% in principal amount of such series may declare such series due and payable (Section 502).

The Subordinated Indenture provides that no Holder of Subordinated Debt Securities of any series may institute any action against the Company under the Subordinated Indenture (except actions for payment of overdue principal or interest) unless the Holders of at least 25% in principal amount of such series have requested the Trustee to institute such action and have offered the Trustee reasonable indemnity, and the Trustee has not instituted such action within 60 days of such request (Section 507).

CONSOLIDATION, MERGER OR SALE OF ASSETS OF THE COMPANY

The Company shall not consolidate with or merge into any other corporation or sell its assets substantially as an entirety, unless (1) the corporation formed by such consolidation or into which the Company is merged or the corporation which acquires its assets is organized in the United States and expressly assumes the due and punctual payment of the principal of (and premium, if any) and interest on all the Subordinated Debt Securities, if any, issued under the Subordinated Indenture and the performance of every covenant of the Subordinated Indenture on the part of the Company to be performed and (2) immediately after giving effect to such transaction, no Event of Default, and no event which after notice or lapse of time or both would become an Event of Default, shall have happened and be continuing. Upon any such consolidation, merger or sale, the successor corporation formed by such consolidation, or into which the Company is merged or to which, such sale is made, shall succeed to, and be substituted for, the Company under the Subordinated Indenture (Sections 801, 802).

Other than the covenants described above, or as set forth in any accompanying Prospectus Supplement, the Subordinated Indenture and the Subordinated Debt Securities do not contain any covenants or other provisions designed to afford holders of the Subordinated Debt Securities protection in the event of a takeover, recapitalization or highly leveraged transaction involving the Company.

SUBORDINATION

The indebtedness represented by the Subordinated Debt Securities is subordinated in right of payment to existing and future Senior Indebtedness, as described in the Subordinated Indenture and any accompanying Prospectus Supplement (Section 1301). The term "Senior Indebtedness" means (i) all indebtedness for money borrowed incurred by the Company, unless the terms of the instrument or instruments by which such indebtedness is incurred or created expressly provide that such indebtedness is subordinate to, or *pari passu* with, the Subordinated Debt Securities or that such indebtedness is not superior in right of payment to the Subordinated Debt Securities, (ii) any other indebtedness, obligation or liability incurred by the Company (including any guaranty, endorsement or other contingent obligation of the Company in respect of, or to purchase, or otherwise acquire, any obligation of another), direct or indirect, absolute or contingent, or matured or unmatured, which is specifically designated by the Company as Senior Indebtedness in the instruments evidencing said indebtedness, obligation or liability at the time of the issuance or incurrence thereof, or (iii) any deferral, renewal or extension of any of the foregoing.

By reason of such subordination, in the event of dissolution, insolvency, bankruptcy or other similar proceedings, upon any distribution of assets, (i) the holders of Subordinated Debt Securities will be required to pay over their share of such distribution in respect of the Subordinated Debt Securities to the holders of Senior Indebtedness until such Senior Indebtedness is paid in full and (ii) creditors of the Company who are not holders of Senior Indebtedness may recover less, ratably, than holders of Senior Indebtedness any may recover more, ratably, than holders of Subordinated Debt Securities (Section 1301). See "Capitalization."

CONCERNING THE TRUSTEE

The Company and the Trustee may from time to time engage in normal and customary banking transactions.

DESCRIPTION OF PREFERRED STOCK

The Company is authorized to issue up to 100,000,000 shares of Preferred Stock, par value \$0.10 per share, in one or more series. All shares of Preferred Stock, irrespective of series, constitute one and the same class. The following description of the terms of the Preferred Stock sets forth certain general terms and provisions of the Preferred Stock. Certain terms of any series of Preferred Stock offered by any Prospectus Supplement will be described in the Prospectus Supplement relating to such series of Preferred Stock. If so indicated in the Prospectus Supplement, the terms of any such series may differ from the terms set forth below.

GENERAL

The Board of Directors is authorized to establish and designate series and to fix the number of shares and the relative rights, preferences and limitations of the respective series of Preferred Stock. The terms of a particular series of Preferred Stock may differ, among other things, in (1) the designation and number of shares comprising such series; (2) the dividends, if any, which shall be payable on the shares of such series and any preferences and other terms and conditions applicable thereto; (3) any rights and preferences of the holders of the shares of such series upon the liquidation, dissolution, or winding up of the affairs of, or upon any distribution of the assets of, the Company; (4) the full, limited or special voting rights, if any, of the shares of such series, in addition to voting rights provided by law, and the terms and conditions applicable thereto; (5) any provision with respect to the conversion of the shares of such series into, or the exchange of such shares for, shares of any other class or classes, or of any other series of any class, of the capital stock of the Company and/or any other property or cash, and the terms and conditions applicable to any such conversion or exchange; (6) any provision with respect to the redemption, purchase, or retirement of such shares and the terms and conditions applicable thereto; (7) any provision with respect to the issuance of additional shares of such series or of any other class or series on a parity with or superior to the shares of such series; and (8) any other relative, participating, optional or special powers, preferences, or rights of, and any other qualifications, limitations, or restrictions with respect to, the shares of such series as the Board of Directors may deem advisable. Unless otherwise specifically set forth in the Prospectus Supplement relating to a series of Preferred Stock, all shares of Preferred Stock shall be of equal rank, preference and priority as to dividends; when the stated dividends are not paid in full, the shares of all series of the Preferred Stock shall share ratably in any payment thereof; and upon liquidation, dissolution or winding up, if assets are insufficient to pay in full all Preferred Stock, then such assets shall be distributed among the holders ratably.

Since the Company is a holding company, the right of the Company, and hence the right of creditors and shareholders of the Company, to participate in any distribution of assets of any subsidiary upon its liquidation or reorganization or otherwise is necessarily subject to the prior claims of creditors of the subsidiary, except to the extent that claims of the Company itself as a creditor of the subsidiary may be recognized.

The description of certain provisions of the Preferred Stock set forth below does not purport to be complete and is subject to and qualified in its entirety by reference to the Restated Certificate of Incorporation and the Certificate of Designations that relates to a particular series of Preferred Stock which will be filed with the Commission at or prior to the time of the sale of the related Preferred Stock.

DIVIDEND RIGHTS

Except as may be set forth in the Prospectus Supplement relating to a series of Preferred Stock, the holders of Preferred Stock shall be entitled to receive, but only when and as declared by the Board of Directors out of funds legally available for that purpose, cash dividends at the rates and on the dates set forth in the Prospectus Supplement relating to a particular series of Preferred Stock, and no more, payable quarterly. Such rate may be fixed or variable. Each such dividend will be payable to the holders of record as they appear on the stock books of the Company on such record dates as will be fixed by the Board of Directors of the Company or a duly authorized committee thereof. Dividends payable on the Preferred Stock for any period less than a full quarter will be computed on the basis of the actual number of days elapsed over a 360 day year and for a period of a full

calendar quarter, will be computed on the basis of a 360 day year consisting of twelve 30 day months. Except as may be set forth in the Prospectus Supplement relating to a series of Preferred Stock, such dividends shall be payable from, and shall be cumulative from, the date of original issue of each share, so that if in any quarterly dividend period (being the period between such dividend payment dates) dividends at the rate or rates as described in the Prospectus Supplement relating to such series of Preferred Stock shall not have been declared and paid or set apart for payment on all outstanding shares of Preferred Stock for such quarterly dividend period and all preceding quarterly dividend periods from and after the first day from which dividends are cumulative, then the aggregate deficiency shall be declared and fully paid or set apart for payment, but without interest, before any dividends shall be declared or paid or set apart for payment on the Common Stock by the Company. After payment in full of all dividend arrearages on the Preferred Stock, dividends on the Common Stock may be declared and paid out of funds legally available for that purpose as the Board of Directors may determine.

REDEMPTION

The Company will have such rights, if any, to redeem shares of Preferred Stock, and the holders of Preferred Stock will have such rights, if any, to cause the Company to redeem shares of Preferred Stock, as may be set forth in the Prospectus Supplement relating to a series of Preferred Stock.

CONVERSION OR EXCHANGE

The holders of Preferred Stock will have such rights, if any, to convert such shares into or to exchange such shares for, shares of any other class or classes, or of any other series of any class, of the capital stock of the Company and/or any other property or cash, as may be set forth in the Prospectus Supplement relating to a series of Preferred Stock.

VOTING RIGHTS

The holders of Preferred Stock will have such voting rights, if any, as may be set forth in the Prospectus Supplement relating to a series of Preferred Stock.

The holders of the outstanding shares of a series of Preferred Stock shall be entitled to vote as a class upon a proposed amendment, whether or not entitled to vote thereon by the Restated Certificate of Incorporation if the amendment would increase or decrease the aggregate number of authorized shares of such series of Preferred Stock, increase or decrease the par value of the shares of such series of Preferred Stock, or alter or change the powers, preferences, or special rights of the shares of such series of Preferred Stock so as to affect them adversely. If any proposed amendment would alter or change the powers, preferences, or special rights of one or more series of Preferred Stock so as to affect them adversely, but shall not so affect the entire series, then only the shares of the series so affected by the amendment shall be considered a separate series for purposes of this paragraph. The number of authorized shares of any such series of Preferred Stock may be increased or decreased (but not below the number of shares thereof then outstanding) by the affirmative vote of the holders of a majority of the stock of the Company entitled to vote irrespective of the previous two sentences, if so provided in the Restated Certificate of Incorporation, in any amendment thereto which created such series of Preferred Stock or which was adopted prior to the issuance of any shares of such series of Preferred Stock, or in any amendment thereto which was authorized by a resolution or resolutions adopted by the affirmative vote of the holders of a majority of such series of Preferred Stock. This paragraph reflects legal requirements under current Delaware law and is subject to any amendments to such law.

The foregoing voting provisions will not apply if, in connection with the matters specified, provision is made for the redemption or retirement of all outstanding Preferred Stock.

LIQUIDATION RIGHTS

Upon any liquidation, dissolution or winding up of the Company, whether voluntary or involuntary, holders of Preferred Stock will have such preferences and priorities, if any, with respect to distribution of the assets of the Company or the proceeds thereof as may be set forth in the Prospectus Supplement relating to a series of Preferred Stock.

MISCELLANEOUS

The transfer agent, dividend disbursing agent and registrar for the Preferred Stock issued in connection with this Prospectus will be as set forth in the Prospectus Supplement. The holders of Preferred Stock, including any Preferred Stock issued in connection with this Prospectus, will not have any preemptive rights to purchase or subscribe for any shares of any class or other securities of any type of the Company. When issued, the Preferred Stock will be fully paid and nonassessable. The Certificate of Designations setting forth the provisions of each series of Preferred Stock will become effective after the date of this Prospectus but on or before issuance of the related series of Preferred Stock.

PLAN OF DISTRIBUTION

The Company may sell the Securities: (i) through underwriters or dealers; (ii) through agents; (iii) directly to one or more purchasers; or (iv) through a combination of any such method of sale. The Prospectus Supplement with respect to the Securities offered thereby sets forth the terms of the offering of such Securities, including the name or names of any underwriters, dealers or agents, the purchase price of such Securities and the proceeds to the Company from such sale, any underwriting discounts and other items constituting compensation to underwriters, dealers or agents, any initial public offering price, any discounts or concessions allowed or reallocated or paid by underwriters or dealers to other dealers and any securities exchanges on which such Securities may be listed.

The Securities may be offered to the public either through underwriting syndicates represented by one or more managing underwriters or directly by one or more of such firms. Unless otherwise set forth in the Prospectus Supplement, the obligations of the underwriters to purchase such Securities will be subject to certain conditions precedent, and the underwriters will be obligated to purchase all of such Securities if any are purchased. Any initial public offering price and any discounts or concessions allowed or reallocated or paid to dealers may be changed from time to time.

Any agent involved in the offer or sale of Securities in respect of which this Prospectus is delivered will be named, and any commissions payable by the Company to such agent (or the method by which such commissions can be determined) will be set forth, in the Prospectus Supplement. Unless otherwise indicated in the Prospectus Supplement, any such agent will be acting on a best efforts basis for the period of its appointment.

If so indicated in the Prospectus Supplement, the Company will authorize underwriters, dealers or agents to solicit offers by certain specified institutions to purchase Securities from the Company at the public offering price set forth in the Prospectus Supplement pursuant to delayed delivery contracts providing for payment and delivery on a specified date in the future. Such contracts will be subject only to those conditions set forth in the Prospectus Supplement, and the Prospectus Supplement will set forth the commission payable for solicitation of such contracts. The underwriters and other persons soliciting such contracts will have no responsibility for the validity or performance of any such contracts.

Underwriters, dealers and agents may be entitled under agreements entered into with the Company to indemnification by the Company against certain civil liabilities, including liabilities under the Securities Act, or to contribution by the Company to payments they may be required to make in respect thereof. Underwriters, dealers and agents may be customers of, engage in transactions with, or perform services for the Company in the ordinary course of business.

There is currently no market for any of the Securities.
