LOEWS CORPORATION REPORTS NET INCOME FOR THE SECOND QUARTER OF 2010

NEW YORK, August 2, 2010—Loews Corporation (NYSE:L) today reported net income for the 2010 second quarter of \$366 million, or \$0.87 per share, compared to net income of \$340 million, or \$0.78 per share, in the 2009 second quarter. Income before net investment gains (losses) for the 2010 second quarter was \$365 million compared to \$518 million in the 2009 second quarter.

Book value per share increased to \$43.53 at June 30, 2010, compared to \$41.80 at March 31, 2010 and \$39.76 at December 31, 2009.

Net income (loss) and earnings (loss) per share information attributable to Loews Corporation is summarized in the table below:

	June 30,

(In millions, except per share data)	2010		2009		2010		2009		
Net income (loss) attributable to Loews Corporation: Income before net investment gains (losses) Net investment gains (losses) Net income (loss) attributable to Loews Corporation	\$	365 1 366	\$	518 (178) 340	\$	774 12 786	\$	181 (488) (307)

Book value per share at: June 30, 2010	\$	43.53							
December 31, 2009	\$	39.76							

Three Months Ended June 30, 2010 Compared with 2009

The decrease in income before investment gains (losses) primarily reflects lower net investment income at CNA Financial Corporation due to reduced limited partnership income, partially offset by favorable prior year development; decreased earnings at Diamond Offshore Drilling, Inc. reflecting lower dayrates and utilization; and less favorable results from the Company's trading portfolio.

Net income included net investment gains of \$1 million (after tax and noncontrolling interest) in the second quarter of 2010 compared to net investment losses of \$178 million in the comparable prior year period. Net investment gains in the second quarter of 2010 were driven by net trading activity and significantly lower other-than-temporary impairment ("OTTI") losses at CNA of \$33 million (after tax and noncontrolling interest) in 2010 compared to \$231 million in the comparable prior year period.

Six Months Ended June 30, 2010 Compared with 2009

In the first six months of 2010, income before investment gains (losses) improved over the comparable prior year period due to the absence of a non-cash impairment charge of \$1.0 billion (\$660 million after tax) related to the carrying value of HighMount Exploration and Production LLC's natural gas and oil properties included in the prior year period. This charge reflected declines in commodity prices. Excluding the prior year charge, results for the first six months of 2010 were lower due to the reasons discussed in the three months comparison above.

Net income improved in 2010 and included net investment gains of \$12 million (after tax and noncontrolling interest) in the first six months of 2010 compared to net investment losses of \$488 million in the comparable prior year period. Net investment gains in the first six months of 2010 reflected OTTI losses at CNA of \$68 million (after tax and noncontrolling interest) compared to \$590 million in the comparable prior year period.

SHARE REPURCHASES

At June 30, 2010, there were 418.3 million shares of Loews common stock outstanding. During the three and six months ended June 30, 2010, the Company purchased 1.5 million and 6.9 million shares of its common stock at an aggregate cost of \$56 million and \$253 million. Depending on market conditions, the Company may from time to time purchase shares of its and its subsidiaries' outstanding common stock in the open market or otherwise.

LOSS PORTFOLIO TRANSFER REINSURANCE AGREEMENT

As previously reported, on July 14, 2010, CNA entered into an agreement with National Indemnity Company (NICO), a subsidiary of Berkshire Hathaway Inc., under which CNA's legacy asbestos and environmental pollution ("A&E") liabilities will be ceded to NICO. Under the terms of the transaction, effective January 1, 2010 CNA will cede approximately \$1.6 billion of net A&E liabilities to NICO under a retroactive reinsurance agreement with an aggregate limit of \$4.0 billion. CNA will pay to NICO a reinsurance premium of \$2.0 billion and also transfer to NICO the right to collect billed third party reinsurance receivables with a net book value of approximately \$200 million. To secure its obligations, NICO will deposit \$2.2 billion in a collateral trust for CNA's benefit. In addition, Berkshire Hathaway Inc. will guarantee the payment obligations of NICO up to the full aggregate reinsurance limit as well as certain of NICO's performance obligations under the trust agreement. The closing is subject to regulatory approvals and closing conditions, and is expected to occur in the third quarter of 2010 at which time the Company expects to recognize a loss of approximately \$340 million, after tax and noncontrolling interest.
